## M E N U

### Classic Grilled Cheese — \$6

White bread, white American cheese, and butter grilled until the edges crisp and the center melts into a smooth, nostalgic bite.

### Buffalo Chicken Melt — \$7

Crusty Italian bread is buttered and grilled, holding fajita-style chicken tossed in bold buffalo sauce. Monterey Jack and sharp cheddar melt on both sides of the bread with the chicken layered in the center for a warm, tangy, cheesy bite.

### Turkey Melt — \$7

Crusty Italian bread is buttered and grilled with provolone melted on both sides. Roasted turkey sits in the center for a mild, melty, cozy turkey melt that stays light but satisfying.

### Ken's Kickin' Chicken Melt — \$7

Grilled chicken, pepper jack, jalapeños, chunky salsa, and a cool sour-cream drizzle folded into a toasted tortilla. Bright heat with a creamy finish.

Any sandwich can be made on a warm flour tortilla instead of bread to create a folded quesamelt. Same fillings, same melty center, just crisped and folded.
