## Manufacturer's Representative for New England

### WATER TREATMENT EQUIPMENT

#### [Atlantium Technologies](#)

- UV Disinfection system – 4 Log removal

#### [AWC](#)

- Dissolved Air floatation (DAF)

#### [Desalitech - DuPont Brand](#)

- Closed Circuit Reverse Osmosis (CCRO) system
- PFAS/PFOA removal – Highest RO recovery

#### [Dutchland Inc.](#)

- Precast post-tensioned concrete structures
- AWWA D115 round tanks & covers
- Rectangular above ground and buried w/ covers

#### [IXOM Watercare](#)

- MIEX Ion Exchange, TOC/DOC removal process

#### [Johnson Screens](#)

- Intake Screens, Triton Underdrains

#### [Mazzei](#)

- Venturi Injectors
- Ozone addition to water systems

#### [Pureflow](#)

- Biologically active filtration
- Greensand filtration

#### [Suez Water Technologies](#)

- Zenon - Ultrafiltration (UF) Membrane Bioreactor (MBR)
- Pressurized or immersed

#### [Xylem - Leopold](#)

- Underdrains - XA and 360 direct retention
- CT2 sludge removal system

#### [Xylem - Wedeco](#)

- UV systems – Low & medium pressure
- Ozone generation equipment

### WASTEWATER PROCES EQUIPMENT

#### [Aqua-Aerobics Systems, Inc](#)

- Aqua Nereda - Aerated Granular Sludge (AGS)
- Aqua Disc - filters cloth media filtration
- Aqua Jet - aerators & DDM mixers
- Aqua SBR - System, aerators & mixers

#### [Aquarius Technologies](#)

- Diffused Aeration - Fine & Course bubble
- Nebula - Multistage Biofilm Systems

#### [BioForceTech Corp](#)

- Pyrolysis for PFAS destruction in sludge
- Energy neutral technology

#### [CleanTek](#)

- Drum screens – perforated plate

#### [Dutchland Inc.](#)

- Precast post-tensioned concrete structures
- AWWA D115 round tanks & covers
- Rectangular above ground and buried w/ covers

#### [Epic International](#)

- Screw pumps - new & replacement systems

#### [Excelsior Blower Systems - EBS](#)

- PD and Screw blower packages

#### [Guardian Environmental Products](#)

- Troll Collector System - Rectangular chain and flight primary clarifier equipment

#### [Hydro-Dyne Engineering](#)

- Headworks Screens, Washpactors, Grit Systems

#### [Kaeser](#)

- Factory PD & screw blower packages

#### [Komline-Sanderson](#)

- Belt press, sludge dryers, plunger pumps

#### [EnviroMix](#)

- Energy efficient large bubble mixing systems
- Anoxic, Aerobic and fermenter mixing

#### [Suez Water Technologies](#)

- Zenon - Ultrafiltration (UF) Membrane Bioreactor (MBR)
- advanced anaerobic digestion, biosolids
- Membrane Aerated Biofilm Reactor (MABR)

#### [MIXTEC](#)

- Mixing Systems - Anoxic & Aerobic mixing

#### [Ovivo - AeroStrip](#)

- Highest efficiency fine bubble diffusers

#### [Ovivo - Eimco / Dorr Oliver](#)

- Anaerobic Digestion - Gas holding membranes
- Covers - Fixed, Floating & Membrane
- Digester Mixing - Linear motion & mechanical mixing
- Thermal Hydrolysis Process (THP)
- Anammox – Bacteria for Ammonia removal
- Clarifiers & Drives
- Carrousel BNR Oxidation Ditch

#### [Ovivo - Brackett Green](#)

- Headworks Equipment: Fine Screens, Jeta Grit
- Bosker CSO Screen, Brackett Green Perforated Plate
- Drum screens coarse & fine

#### [Ovivo - Varec Biogas](#)

- Biogas safety & handling equipment
- Gas flares, drip traps, flame arrestors, pressure regulators

#### [Swaby Lobeline - Vector Process Equipment](#)

- Rotary Lobe Positive Displacement Pumps

#### [UltraTech](#)

- UV Systems - Vertical Configuration and Closed Vessels

#### [Xylem - Leopold](#)

- Tertiary filtration & Denite filters

#### [Xylem - Wedeco](#)

- UV Systems, Horizontal & Inclined Configurations, Ozone Generation Equipment, Advanced Oxidation Processes.
- In-pipe and open channel

### PROCESS CONTROL EQUIPMENT

#### [Burt Process Equipment \(BPE\)](#)

- Polymer feed skids
- Chemical feed skids

#### [ECO2](#)

- Speece Cone oxygen saturation system for odor control

#### [Mercer Rubber](#)

- Expansion Joints & Fittings

#### [Tarsco](#)

- Bolted Steel Tanks. Epoxy & Glass lined.
- Complete Blasting & Painting of Existing Tanks

#### [Storage and Transfer Technologies \(STT\)](#)

- Dry bulk storage, handling and feed systems
