

MANUFACTURERS REPRESENTATIVE NEW ENGLAND STATES

WATER TREATMENT EQUIPMENT

Suez – Water Technologies and Solutions

Zenon Ultrafiltration Membrane Technology
Pressure and Suction Driven

Leopold/Xylem

DAF Technology,
Underdrains – XA and 360 Direct retention
CT₂ Sludge removal system

Wedeco/Xylem

UV Systems – Low & Medium Pressure,
Ozone Generation Equipment

Desalitech

Closed Circuit Reverse Osmosis Systems
PFAS/PFOA Removal - Highest RO Recovery

Johnson Screens

Intake Screen, Triton Underdrains

IXOM Watercare

MIEX Ion Exchange, TOC/DOC Removal Process

Atlantium Technologies

UV Disinfection Systems – 4 Log

Dutchland, Inc

Precast Post-Tensioned Concrete Structures,
AWWA D115 Round Tanks & Covers
Rectangular above ground and buried with covers

WASTEWATER PROCESS EQUIPMENT

Aqua-Aerobic Systems

Nereda: Aerated Granular Sludge Process
Cloth Media Filtration: 5 Micron Cloth Media
AquaDisk, MegaDisk & AquaDiamond
AquaPrime: Storm water filtration systems and
Primary filtration systems
SBR Technology, Aerators, Mixers

Suez – Water Technologies and Solutions

Zenon - MBR - Membrane Bioreactor Technology
Monsal – Advanced Anaerobic Digestion, Biowaste
and Biosolids Solutions

Varec Biogas

Biogas Safety & Handling Equipment: Gas Flares,
Drip Traps, flame arresters, pressure regulators

Leopold/Xylem

Tertiary Filtration & Denitrification Filters

Kaesar Compressor

Factory PD and Screw Blower Packages

Komline Sanderson

Belt Press, Sludge Driers, Plunger Pumps

EnviroMix

Mixing Systems: Energy Efficient Large Bubble

Excelsior Blower Systems

PD and Screw Blower Packages

Mixtec

Mixing Systems, Anoxic & Aerobic Mixing

Ovivo/Eimco/Bracket Green

Anaerobic Digestion-Gas Holder Membranes,
Covers-Fixed, Floating & Membrane
Digester Mixing-Linear Motion Mixer, Gas Mixing,
Thermal Hydrolysis Process
Deammonification: for Ammonia removal
Headworks Equipment: Fine Screens, Jeta Grit,
Bosker CSO Screen, Bracket Green Perforated Plate
Clarifiers & Drives, Carrousel BNR Oxidation Ditch,

Wedeco/Xylem

UV Systems, Horizontal & Inclined Configurations, Ozone
Generation Equipment, Advanced Oxidation Processes.
In-pipe and open channel

UltraTech

UV Systems – Vertical Configuration and Closed Vessels

Hydro-Dyne Engineering

Headworks Screens, Washpactor, Grit Systems

Dutchland Inc.

Precast Post-Tensioned Concrete Structures,
Round & Rectangular Tanks & Covers

Guardian Environmental Products

Troll Collector System – Rectangular Chain and Flight
Primary Clarifier Equipment

Aerostrip

Highest Efficiency Fine Bubble Diffusers

Epic International

Screw Pumps: New Systems & Replacements

Pure Air Filtration

Odor Control Systems; Gas Scrubbers; Media

PROCESS CONTROL EQUIPMENT

ECO₂

Speece Cone oxygen saturation system for odor control
and corrosion prevention

Rodney Hunt

Gates: Cast Iron & Fabricated

Binder

Aeration Jet Control Valve provides minimal pressure
drop, reduces blower energy & increases aeration
control
