

The Come-Up Experience Survey

Hi Everyone!

Enoch Baptist Church is currently developing programs within our new youth and young adult program The Come-Up Experience just for you. We really would like to hear from you, the parents of our church and community, about what you would like The Come-Up Experience to do for your children. We want to partner with you to get to know you and hear your ideas and opinions.

Please take a few moments to complete this survey. We'll look at the survey results and plan events and activities based on what you have told us.

Thanks for helping us get started!
