

Holiday Greetings
from the team at

AGING**best**

Dear Friends,

I just want to say thank you to everyone who has been a part of our mission this year. Despite the fear and sadness that is all around us, we have seen such extraordinary commitment and dedication from so many people throughout this year. We are so thankful for our staff, volunteers, community partners, vendors, and especially for those we serve!

The COVID virus has hit our agency hard recently and every person who is impacted by this is in our hearts. That goes for anyone directly affected and for those who are trying to pick up the slack and keep services going. We will get through this and be stronger on the other side if we work together and support each other.

Please stay home if you are feeling ill. Follow safety guidelines to remain healthy and strong. Stay safe and know that we will be back together before too long.

Please let us know if there is anything we can do to help you.

Happy Holidays!
