On The Trail with Cowboys For Christ

Years ago, when I was shoeing horses as a part time business, I made this observation:

A horse's behavior is directly related to its relationship to its owner/handler and what they expect of the horse. Usually if I was called to shoe several horses in the same barn, I found that if one horse was unruly they were all unruly. And if one horse was well behaved, for the most part, they all were well behaved. The horses' *disposition, behavior, and mindset* was determined by the **knowledge, confidence, ability and time commitment** of the owner/handler.

As Christians, our "owner/handler" is Jesus Christ because He paid a great price for us. (I Corinthians 6:20 states that we have been bought with a price.) We have a perfect owner because He is the **all knowing, all powerful, omni-present** Creator of the universe! He demonstrated what He expects of us when He came to earth as a man. Even though He was tempted just like we are, He did not sin (Hebrews 4:15). His Word tells us "Be holy for I am holy" nine times. That is His instruction, His expectation of us. He did not leave us on our own to accomplish this - read 2 Peter 1:3-8. It is by his power and training we can live a life that fulfills that expectation. Let's focus on our trainer, Jesus Christ (Hebrews 12:1,2) and know the peace that comes from divine relationship with Him.
