On The Trail with Cowboys For Christ A friend told me “Horses are only afraid of two things: things that move, and things that don’t.” The little dun mare I’m riding is a perfect example of this. Anything new or changed in her surroundings causes her to become all ears and eyeballs. The problem is that there are too many “new” scary things in the world to try to get her accustomed to them all. So, what’s the answer? Is there no hope?

Yes, there is hope. In fact, I can see and feel the change happening in her as we spend more and more time together. Now, when she encounters something new or scary, instead of shying or bolting away on her own, she has begun to defer to me. She may still be hesitant, but if I say it’s OK, she proceeds, trusting in me to guide her safely through the situation.

As we go down the trail of life we will undoubtedly encounter some pretty “scary” obstacles. In fact, John 16:33 states, “*In this world you will have trouble. But take heart! I have overcome the world*”. By spending more time with the Lord in prayer and reading His Word, we will prepare ourselves to trust Him fully in every situation. II Timothy 1:7 says, “*God didn’t give us a spirit of fear, but of peace, love, and a sound mind*”. Remember, Jesus has the reins. Put your trust in Him. He will guide you safely through.

In His name have a HAPPY THANKSGIVING and a MERRY CHRISTMAS !!!
