PREPARATION INSTRUCTIONS FOR BED BUG TREATMENT & CONTROL

Service is scheduled for: _____ / _____ / _____ between the hours of 8:00am and 6:00 pm.

PRIOR TO SERVICE

- **Remove, wash and dry all bedding, pillows, sheets, comforters and blankets.** Place in a sealed plastic bag.
- Lean box spring and mattress up against wall.
(Drain waterbeds of enough water so that we may be able to pick up corners of mattress)
- Move all items, including furniture at least eight (8) inches away from the wall.
- Remove all items from windowsills.
- **Vacuum entire apartment**, concentrating on all carpet edges; **throw vacuum bag away** when finished.
- **Vacuum furniture and pillows thoroughly.** Remove pillows and any personal items.
- Empty all items from closets, dressers and closet storage shelves (not your kitchen shelves or pantry). (Do not remove books from bookshelves unless verbally advised to do so by Anchor.)
- **Wash and dry (at high heat)** all dirty clothing, sheets, towels, blankets, all fabrics and **place in plastic bags prior to service.** Set aside and label one bag of clothes that you can use for a week or two during repeat treatments.
- **Clean clothing** (from dressers, etc.), sheets, towels, blankets, all fabrics **should be dried at high heat** for 30 minutes and **placed in plastic bags** prior to service.
- **DO NOT unpack** and return clothes to your dresser and closet until Anchor informs you that they will not be treating again.
- All food must be removed from counter tops or covered. Your food pantry will not be treated.
- Fish: cover tank with plastic wrap, unplug air pumps and cover with blanket or towel.
- **Pets must be removed from your apartment prior to service.**
- Remove or cover all pet food and pet dishes.
- **Please plan to vacate the premises for one (1) to four (4) hours following treatment.**
- If you are pregnant or on oxygen please advise the leasing office prior to service.

Thank you in advance for your cooperation.
