**THOUSANDS INSTALLED / QUICK ROI / PATENTED AND PROVEN TECHNOLOGIES**

Section 179 of TAX CUTS AND JOBS ACT (TCJA) now permits **100% of purchase of all GWS products to be depreciated in the year they are placed in service (effective back to September 28, 2017)**. This change effectively reduces net cost significantly and creates an even shorter payback (ROI).

**Be SMART.....Save time and money.**
