OBJECT: AED recommendation for RGB PROFESSIONAL SERVICES LLC

Dear Jenna,

I am happy to recommend Richard G. Barrett, RGB Professional Services, LLC for implementing systems at your agency. They have provided implementation support for our DOT asset management system for the three years.

I had the pleasure of working with RGB Professional Services, LLC and Richard Glenn Barrett at U.S. Department of Transportation in Washington, D.C., where he was the cybersecurity and systems subject matter expert. RGB-PS LLC was well organized, efficient and willing to do whatever was needed to get a task accomplished.

RGB-PS LLC employees were professional strategic partners. Richard's dedication and assumption of our mission ensured a pragmatic and thoughtful approach to daily work. RGB Professional Services, LLC would be an asset to your organization. I am happy to give RGB-PS LLC my unconditional endorsement.

Sincerely,

AED Inc.
