On behalf of the NAAIA National Board of Directors and the National Office, we extend our heartfelt thanks to you for speaking at the NAAIA South Regional Forum in Richmond, VA on March 12. We had great feedback from our members on the energy, vibrancy and relevancy of the content you and your fellow presenters shared during the Forum.

Our theme for Regional Forums this year, "Innovation in Insurance – Adapting to Global Challenges," reflects our commitment to innovation, diversity, and inclusivity within the insurance industry, and preparing racially diverse talent to demonstrate the highest levels of performance and impact using knowledge gleaned from expert speakers and thought leaders like you.

Once again, thank you for your contribution to a great South Regional Forum!

Warm regards,

*George Woods*
