BRUCE  
BANNER

## BRUCE BANNER ~ SD Hybrid

Bruce Banner, best known as the alter-ego of comic book hero The Incredible Hulk, might not be such a stressed-out ball of anger if he just had some of his namesake strain. This green monster also has hidden strength and features bright green nugs that pack the power of very high THC content. It's a powerful strain whose effects come on quickly and strong and then tend to settle into a euphoric and creative buzz. The sativa effects of this strain are most evident and linger mostly in the head, but it may also provide body relaxation that make it an appropriate daytime bud for some.

Headband

## HEADBAND ~ ID Hybrid

Meet Headband, the lovechild of cannabis' power couple, OG Kush and Sour Diesel. The smooth, creamy smoke is accented by flavors of lemons and diesel while the long-lasting effects are great for pain relief, helping you to relax, and to combat elevated stress levels. Many report that the effects create a slight pressure around the crown of their head and feels as though they are wearing a headband. The effects have been known to come on slow, so pace yourself with this potent hybrid.

Super  
Blue  
Dream

## SUPER BLUE DREAM ~ SD Hybrid

Super Silver Haze was crossed with Blue Dream to create this fun and potent hybrid. Taking after its sativa heritage, this strain is energizing and great for daytime use. While Super Blue Dream is powerful, it still allows you to focus and get things done. Like its Blue Dream parent, Super Blue Dream features a sour blueberry aroma. Due to this strain's head-heavy effects, it may not be a good choice for consumers who suffer from headaches. For those who are afflicted with stress or anxiety, however, Super Blue Dream may be a good strain to try.

**1/8 = \$55; 1/4 = \$100; 1/2 = \$190; 1OZ = \$275**

Tahoe OG

## TAHOE OG KUSH ~ ID Hybrid

Tahoe OG is the perfect rainy day strain. Strong and fast-acting, you may not want to use this strain when you're planning to leave the house. Great for those suffering from insomnia, pain, or lack of appetite, Tahoe OG has made a name for itself among other indicas. A top nighttime strain, it provides an extremely lazy, heavy body sensation. Due to superb breeding, Tahoe OG embodies all of the typical indica effects with an added euphoric, sativa-like kick. This strain features an earthy, lemon taste, and is a phenotype of OG Kush.

**1/8 = \$55; 1/4 = \$100; 1/2 = \$190; 1OZ = \$275**

Chocolate  
Hashberry

## CHOCOLATE HASHBERRY ~ Indica

Chocolate Hashberry is an aromatic strain with quality effects and beautiful foliage. With a smell indicative of its name, Chocolate Hashberry reeks of chocolate, hashy spice, and sweet berries. This delicious scent comes from combining two fantastic Kush cuts, Chocolate Kush and Blackberry Kush. On top of its excellent flavor and aroma, Chocolate Hashberry's Kush lineage offers a delightful mid-level sedation and a relaxed mental state that helps curb anxiety and minor pain while enhancing mood and focus.

**1/8 = \$50; 1/4 = \$90; 1/2 = \$140; 1OZ = \$225**

GDP

## GDP ~ Indica

Granddaddy Purple (or GDP) is a famous indica cross between Purple Urkle and Big Bud. Its potent effects are clearly detectable in both mind and body, delivering a fusion of cerebral euphoria and physical relaxation. While your thoughts may float in a dreamy buzz, your body is more likely to find itself fixed in one spot for the duration of GDP's effects. Like most heavy indica varieties, Granddaddy Purple is typically pulled off the shelf for consumers looking to combat pain, stress, insomnia, appetite loss, and muscle spasms.
