BUBBA KUSH ~ ID Hybrid

If you're craving a sweet smoke that leaves you relaxed, Bubba Kush is for you. The genetics are traced back to the Hindu Kush mountains, but its complete history is unknown. Bubba Kush is 100% indica, so you can anticipate a relaxing body high that will leave you couch locked. Many patients prefer this strain due to its ability to alleviate insomnia, depression, stress, and/or ADD/ADHD. Bubba Kush is not a daytime strain unless you plan to sleep all day.
