NORTHERN LIGHTS ~ Indica

Northern Lights stands among the most famous strains of all time, a pure indica cherished for its resinous buds. Northern Lights has given rise to famous hybrids like Shiva Skunk and Super Silver Haze. Rumor has it that Northern Lights first sprouted near Seattle, Washington, but was propagated out of Holland after 1985. Northern Lights' psychoactive effects settle in firmly throughout the body, relaxing muscles and pacifying the mind in dreamy euphoria. Comfortable laziness allows patients to relieve pain and sleeplessness, while its mellow contentment roots out depression and stress.
