

A 1 REDEYE DELIVERY

CHERRY ZKITTLES ~ ID Hybrid

Cherry Zkittles is an indica dominant cross of Zkittles & Cherry Pie. It delivers a strong, uplifting high that brings on a euphoric, dreamy feeling. You'll feel happy, focused, & creative, making it easy to socialize. As the high continues, it shifts to a more relaxed, hazy state, leaving you feeling content but a bit unfocused. This strain's powerful Indica effects make it ideal for relieving chronic pain, muscle spasms, stress, anxiety, and insomnia.

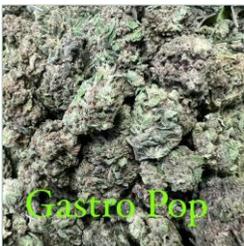

1/8 = \$50; 1/4 = \$100; 1/2 = \$180; 1OZ = \$300

GAS ~ Indica

Gas is a 100% pure indica with unknown genetics due to breeder secrecy. The Gas high has an immediate onset of a soothing body high that spreads throughout the body, leaving you relaxed, pain-free, and utterly sedated. Upon the come down, you'll fall into a deep and peaceful pain-free sleep that lasts hours on end. Gas is an ideal strain for treating nausea, appetite loss, mild cases of depression, and sleep disorders, including insomnia and night terrors.

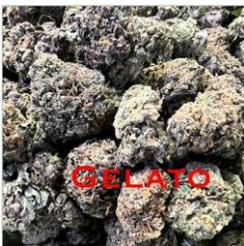

1/8 = \$30; 1/4 = \$60; 1/2 = \$100; 1OZ = \$180

GASTRO POP ~ Hybrid

Gastro Pop is an evenly balanced hybrid, a cross of Apples & Bananas and Grape Gas. The effects of Gastropop have been said to be well-balanced and calming. The experience has been described as starting in the mind with an uplifting cerebral high that provides a gentle euphoria. As the initial effects dissipate, a soothing and relaxing physical release takes over. Many report feeling their physical tension melt away.

1/8 = \$40; 1/4 = \$80; 1/2 = \$140; 1OZ = \$240

GELATO ~ ID Hybrid

Gelato is a slightly indica dominant hybrid cross of Sunset Sherbet & Thin Mint Girl Scout Cookies. Even with its slight indica dominance, it won't leave you sedated or couch locked. It starts with a cerebral rush that hits you with an uplifted euphoria and a sense of slightly focused energy. As this head high blissfully builds, a creeping body buzz will slowly wash over you, leaving you completely relaxed and calm with a sense of peace and wellbeing.

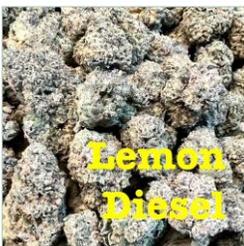

1/8 = \$35; 1/4 = \$70; 1/2 = \$120; 1OZ = \$210

GRANDI GUAVA ~ SD Hybrid

The result of crossing Guava and Gelato, Grandi Guava is a hard-hitting sativa leaning hybrid. Grandi Guava provides a relaxed but heady buzz. It's a great choice for when you want to have a productive start to your day and relieve stress and inflammation without a feeling of heavy sedation. Grandi Guava is often said to be perfect for treating chronic stress or anxiety, depression or mood swings, chronic fatigue, appetite loss or nausea and ADD or ADHD.

1/8 = \$40; 1/4 = \$80; 1/2 = \$140; 1OZ = \$240

LEMON DIESEL ~ ID Hybrid

Lemon Diesel is an indica dominant cross of California Sour & Lost Coast OG. Best known for its super heavy high, Lemon Diesel is a great choice for any classic indica lover. Known as a creeper strain, it produces effects that are relaxing but still allow you to be focused and coherent. You'll be happy and carefree, accompanied by a relaxing physical sense, helping you to settle down into a state of calm without any aches or pains.

1/8 = \$40; 1/4 = \$80; 1/2 = \$140; 1OZ = \$240

MAMBO MG ~ Hybrid

Mambo MG is a hybrid cross of Platinum Romulan & New Orleans Purple. You'll be happy and sociable, although you may fall in and out of fits of the giggles. A relaxing body high comes next, creeping over you and leaving you feeling sedated. These effects make Mambo MG the perfect choice for treating conditions such as depression, chronic stress, nausea or appetite loss and chronic fatigue.

1/8 = \$50; 1/4 = \$100; 1/2 = \$180; 1OZ = \$300

A 1 REDEYE DELIVERY

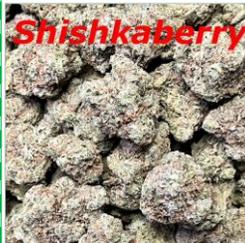

Panama

PANAMA ~ Sativa

Panama is a 100% pure sativa cross of Panama '74, Green Panama & Colombian Red Dot. Panama brings on a long-lasting high that will stimulate both mind and body; the effects hit you almost immediately, boosting the spirits, eliminating negative & racing thoughts, and leaving you feeling focused & ready to take on the world. A relaxing sense accompanies this energizing lift, helping to keep your mind anchored and removing any chance of anxiety or paranoia.

1/8 = \$35; 1/4 = \$70; 1/2 = \$120; 1OZ = \$210

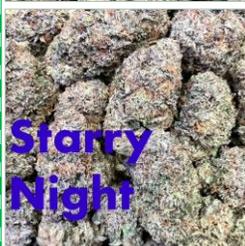

Shishkaberry

SHISHKABERRY ~ Hybrid

Shishkaberry, also known as "The Kish", is a hybrid cross between The Red & Blueberry. Shishkaberry has an initial onset of an insanely happy and uplifting feeling that leaves you social and focused. This is followed by a lazy heavy body high that leaves you sedated before easing you into a deep and peaceful sleep. Shishkaberry is an ideal strain for treating conditions such as chronic pain, Multiple Sclerosis, and Parkinson's Disease.

1/8 = \$45; 1/4 = \$90; 1/2 = \$160; 1OZ = \$270

Starry Night

STARRY NIGHT ~ Hybrid

Starry Night is a rare hybrid cross of Trufflez & Runtz. Effects include deep body relaxation and sleepiness following an initial high of feeling focused, energetic, and euphoric. Starry Night can be a useful tool for treating low mood, anxiety, mood disorders, insomnia, stress, migraines, and nausea.

1/8 = \$45; 1/4 = \$90; 1/2 = \$160; 1OZ = \$270

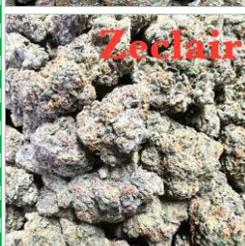

Yeet

YEET ~ SD Hybrid

Yeet, a sativa dominant fusion of Ya Hemi and Cold Heat, is a sensory celebration like no other. Yeet offers a euphoric and uplifting high, ideal for social settings or creative endeavors. Users often report an initial rush of happiness and motivation, followed by a gentle relaxation that keeps you grounded without making you feel couch-locked. It's perfect for daytime use or whenever you need a little extra inspiration.

1/8 = \$50; 1/4 = \$100; 1/2 = \$180; 1OZ = \$300

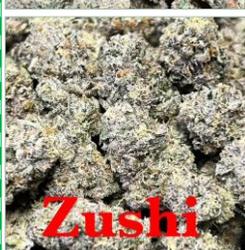

Zeclair

ZECLAIR ~ ID Hybrid

Zeclair is an indica-dominant strain, made from a genetic cross of Cold Heat and Zonuts. It is highly regarded among cannabis enthusiasts for its effects and appealing appearance. Users say it's an enjoyable way to relax at night, whether you'll be movie-watching or settling down for the night. Zeclair is often used to treat anxiety, depression, insomnia, ADHD, and to stimulate the appetite.

1/8 = \$45; 1/4 = \$90; 1/2 = \$160; 1OZ = \$270

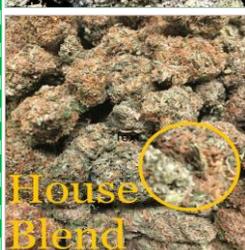

Zushi

ZUSHI ~ SD Hybrid

Zushi is a sativa dominant cross of Zkittles & Kush Mints. This strain is infamous for its soaring, happy high that is perfect for a wake & bake on a lazy morning. The Zushi high hits fast, with a boost of bright, happy energy. You'll find that focus comes easily & your creativity is flowing as your mood flies higher & higher. This energy will also begin to spread its tingly reach throughout your body, getting you out of bed & moving in no time.

1/8 = \$45; 1/4 = \$90; 1/2 = \$160; 1OZ = \$270

House Blend

HOUSE BLEND ~ Variety

This prime mixture features large to small buds (not shake or trim) of a variety of flowers, indica, sativa, and hybrid, some recently removed from the menu to make room for new stock, and some still currently available on the menu. New strains are added frequently, so chances are you'll get something new to try every time you order this high-quality blend!
