

IMAGE Fatherhood is pleased to submit this request for your review.

In the United States today, there are nearly 13.6 million single parents raising over 21 million children. According to the U.S. Census Bureau, 19.7 million children, more than 1 in 4, live without a father in the home. IMAGE Fatherhood is requesting a donation for our Young King project. This group mainly consist of 4th through 9th graders from Atlanta Public, Fulton County and Clayton County schools. The purpose of this project is to promote unity between the genders and role modeling while teaching them life skills to activities and events outside of their own communities along with creating some family resources as well. Promoting families, uniting and connection to prevent our youth from unnecessary teen violence, killings and incarcerations. Your contribution will help us provide Exposure, Experience, Educate and Evolve them to better themselves and become more involved in their larger community.

IMAGE Fatherhood has been in operation since 2014 serving urban underprivileged children that currently resides in a one- parent household. We serve all over the south side of metro Atlanta and our mission is to bring awareness to schools, communities, and churches about the importance of Fatherhood and the societal ills or problems that are created when there is absence of a father or positive male role model within a family unit. IMAGE was created to assist in great demand of gaining and improving fatherhood relationships in the home, schools, and within the community. The consultants of this organization are fathers with great character, have a desire, to improve our communities, and have strong spiritual ties. These men dispel the negative views that society has labeled upon our fathers and are “reshaping the IMAGE of fatherhood one man at a time”.

We appreciate your organization/patrons for taking an interest in our children development while we help providing exposure outside of their own backyard! We look forward to building a partnership with your organization. Please give us a call at 770 847-0533 or email at imagefatherhood@att.net or lawrencerod70@gmail.com if you require any further information or have any questions concerning our Young Kings projects.
