

Alaska Rural Water Association

Training Announcement

Introduction to Small Water Systems Provisional Level

Presented By: John Schwartz, USA BlueBook

Date: April 6-10, 2020 beginning at 8:00 am and ending at 5:00 pm.
April 10, exam at 8:00 am

Location: Prince of Wales Vocational and Technical Education Center in Klawock

This workshop is designed to provide owners and operators of small public water systems, lodges, logging camps, service districts and other remote systems a basic understanding of the principles and practices involved with collecting, treating, storing, and distributing safe drinking water.

Cost: ARWA provides this training at no charge, however, there is a \$150.00 exam fee **per** exam (treatment and/or distribution). If you have any questions on what level or type of certification you need, contact Operator Certification at 907-465-1139. Please mail a check to ARWA 1075 S Check St, Suite 106, Wasilla, AK 99654, or call 907-357-1155 with a credit card number **to register by the deadline of March 20, 2020**. Following the course, you will receive a letter from the state letting you know if you have passed the exam(s). If successful, you will then be requested to mail in your application along with a \$100 application fee for certification. There is also a \$50 fee for each of the training manuals.

CEU Credit: 3.0 Drinking Water Core CEUs will be assigned.

Register: Contact Kelly Comerford by email or phone to register and make payment arrangements.
