7.9 Surplus Funds.

The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Regular Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

7.10 Initial Capital Contribution.

Each Purchaser of a Lot from the Declarant or a Designated Builder shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the then current Regular Assessment for an Assessable Lot. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under the Community Documents. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration. Payments made pursuant to this Section shall be deemed a contribution to the capital of the Association.

7.11 Transfer Fee.

Each Person who purchases a Lot from a Person other than the Declarant shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board to compensate the Association for the administrative cost resulting from the transfer of a Lot. The transfer fee is not intended to compensate the Association for the costs incurred in the preparation of the statement which the Association is required to mail to deliver to a purchaser under A.R.S. § 33-1806A and, therefore, the transfer fee shall be in addition to the fee which the Association is entitled to charge pursuant to A.R.S. § 33-1806C.

All buildings, Residences, landscaping and other Improvements shall at all times be kept in good condition and repair. Within one hundred eighty (180) days after completion of Construction or Modification of a Residence on a Lot, the Owner shall install front and rear yard landscaping in accordance with the guidelines and standards established by the Design Review Committee pursuant to Section 3.11 above. All grass, hedges, shrubs, vines and plants of any type on a Lot shall be irrigated, mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Design Review Committee. No yard equipment, wood piles or storage areas may be maintained so as to be Visible From Neighboring Property or streets. If at the expiration of said fifteen-day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

8.5 Boundary Walls.

Each wall or fence that is located between two Lots shall constitute a boundary wall and, to the extent not inconsistent with this Section, the general rules of law regarding boundary walls shall apply.

The Owners of contiguous Lots who share a boundary wall shall both equally have the right to use such wall provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner.

Except as otherwise provided in this Section, the Owners of contiguous Lots who share a boundary wall shall each pay one-half ($\frac{1}{2}$) of the cost of any maintenance, repair or replacement of the boundary wall. Either of such Owners may perform any necessary repair, maintenance or replacement of the boundary wall and in such event, such Owner shall be entitled to reimbursement from the other Owner for one-half ($\frac{1}{2}$) of such cost.

In the event that any boundary wall is damaged or destroyed through the negligence or willful act of an Owner, his agents, tenants, licensees, guests or family, it shall be the obligation of such Owner to rebuild and repair the boundary wall without cost to the other Owner or Owners who share the boundary wall.

The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title. In addition to meeting the other requirements of this Declaration and of any other building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild a boundary wall shall first obtain the written consent of the adjoining Owners.

In the event any boundary wall encroaches upon a Lot, a valid easement for such encroachment and for the maintenance of the boundary wall shall and does exist in favor of the Owners of the Lots that share such boundary wall.

8.6 Maintenance of Walls other than Boundary Walls.

Walls (other than boundary walls) located on a Lot shall be maintained, repaired and replaced by the Owner of the Lot. Any wall that is placed on the boundary line between a Lot and an Area of Association Responsibility shall be maintained, repaired and replaced by the Owner of the Lot, except that the Association shall be responsible for the repair and maintenance of the side of the wall that faces the Area of Association Responsibility. In the event any such wall encroaches upon the Common Area or a Lot, an easement for such encroachment shall exist in favor of the Association or the Owner of the Lot, as the case may be. Any wall that is placed on the boundary line between a Lot and public right-of-way shall be maintained, repaired and replaced by the Owner of the Lot, except that the Association shall be responsible for the repair and replacement of the surface of the wall that faces the public right-of-way.
