

Travel and Holidays

Do you enjoy travelling?

Yes, I love to take holidays. I really look forward to going on holiday. I sometimes book a trip six months in advance! Then I wait with excitement until I can finally go!

When you visit new places, what do you like to do?

I enjoy going sightseeing. For instance, last year I went to New York and I visited famous places like the Empire State Building and took photos. I also like to try the local cuisine.

Do you prefer travelling alone or in a group? [Why?]

Personally, I prefer travelling in a group. Some of my best memories are of being on holiday with my family. I love relaxing and sharing new experiences with my loved ones. If I travelled alone, I think I would just get bored and chat with people on my phone!

What places would like to visit in the future?

I would love to try backpacking. It is a cheap way to travel, so I could visit lots of places in one trip. I think going backpacking across Europe would be a great adventure to have with my friends.
