

Work

Tell me about your job. What do you do?

I work as an accountant at a clothing company. I have been working there for five years, ever since I graduated from university.

Why did you choose your job?

My parents suggested that accounting would be a suitable profession for me. I enjoyed maths at school, and I wanted a job with a good salary.

Do you like your job?

Yes, I think that I am good at my job and I get on with my colleagues. However, it can be stressful. In my line of work there are a lot of deadlines, and it can be difficult to meet them.

Do you plan to continue with your job in the future?

Yes, I intend to keep doing this job. I have spent years training and working as an accountant, so I don't think it would be a good idea to change my career now.
