

2024 West Ohio Campership Request

West Ohio believes in transformational power of a Christian summer camping experience for children and youth. This is why this Campership Request has been established to help families in financial need. The request for financial assistance is meant to help off-set the cost for a child to attend an overnight summer camping experience in June, July, or August of 2024. If you have any questions contact Rev. Ann Marie Carley, Director of Camps, Retreats and Next Gen Engagement (amcarley@wocumc.org or 330-223-9369) Any request should be made prior to August 1, 2024.

Please make sure:

- All sections of this form are completed (if the parent/guardian section for contact #2 is the same as contact #1 you can write “same”)
- You have connected with your local church & requested assistance from them prior to completing the request
- You request financial support prior to the due date of your final payment of camp

Requests will be reviewed each Wednesday. Notification of financial assistance will be sent to primary parent/guardian by Friday of the same week. All financial assistance will be sent directly to the organization which hosts the summer camping experience.
