PRO MAXX PONTOON PORT

302818

For Pontoons & Tritoons
up to 25'-29'

Dims: 31' L x 8.5' W

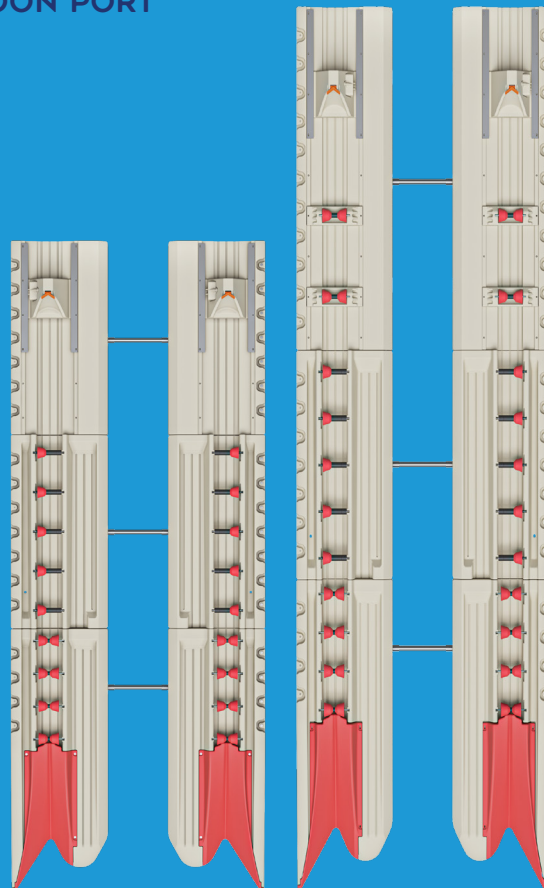

Deck Height / 15"

Weight: 1,460 lbs.

Wt. capacity: 5,400 lbs.

Increase weight capacity with optional buoyancy boosters.

- Patented design keeps your entire pontoon high and dry.
- Heavy-duty, flared entrance with self-centering guides.
- Adjustable Bow Stop and cushioned, protective rollers allow precise alignment.
- Strategically positioned axle pocket heights prevent drag.
- Increase width and walkaround room with optional Pro Side Extension (#302514) (sold separately)
- Crafted with an incredibly durable rotomolded shell, fully filled with marine-grade EPS foam, offering maintenance-free high-density polyethylene construction.
- Easy drive-on / push-off or use our new patent-pending Power Launch Assist. (#302919) Just a push of a button and the power launch assist effortlessly pushes your boat into the water softly and safely. (Sold separately)
- Protect your watercraft from the elements with our new patent-pending ProTect'R Canopy System! (#302631) (Sold separately)

Port sold separately
