

Wave Armor / POWER LAUNCH ASSIST

The Wave Armor Power Launch Assist™

Designed to allow easy launching of your watercraft on the Wave Armor Pro 8, Pro 220, Pro 170, Extreme X24 and Pontoon ports. Constructed for ease of use, and durability, the Wave Armor Power Launch Assist features simple push-button, remote-operated convenience, with built-in auto return. It's the easiest way to launch your watercraft. Powered by a 12 volt battery system so there is no need to run AC power to the port.
