JOEL WEISS

Meet our CEO

Joel Weiss is not just the CEO and founder at Cubitac, he is also a visionary leader reshaping the industry norms. His relentless pursuit of innovation goes beyond the expected, introducing products once thought unattainable at this level. For Joel, Cubitac is a reflection of his vision. The mantra “For The People” embodies his unwavering commitment to customer support and satisfaction. He has initiated multiple communication channels to allow his customers to directly get in touch with him. Joel Weiss is not merely leading a company, he is cultivating a community dedicated to exceeding expectations through a commitment to excellence and a people-centric approach.

PEOPLE
PRODUCT
INNOVATION

WE’RE FOCUSING ON THE THINGS THAT
REALLY MATTER

We wont talk about quality much in this book because...well, to put it frankly we have it. Focusing on quality products should be the goal of everyone in the industry. That’s been always been our main goal.. The standard has been established years ago and we honor those who came before us and created the standard. But now its time we honor the past and look towards the future. The future of kitchen Cabinetry is bringing the people, product and innovation into the industry.

The people's pledge.

people's pledge ✓

The people's kitchen by the kitchen people.

CUSTOMER RELATIONS

We pledge to keep it personal.

We prioritize direct communication, providing real answers from real people.

We utilize all communication channels available to avoid corporate run-around and endless transfers.

We promise maximum flexibility while adhering to company policy.

CUSTOM CRAFT

We pledge to build it if you can think it. From preferred cuts, sizing, and functions, we tailor your product to match your vision. If you want it, we want to make it happen.

NEW PRODUCTS

We pledge to push boundaries. Releasing multiple new products annually, and making what once was exclusive, available to everyone.

TRANSPARENCY

We pledge to be open and honest with you, it is at the core of our mission. Share your thoughts, concerns, or anything with us. We take ownership of every situation, implementing your feedback to improve our service and products.

UNLIMITED COLORS

We pledge to provide an unlimited range of paint colors for you to choose from. The kitchen is the heart of your home, the color needs to reflect that.

CUSTOMER CARE

We pledge to provide direct service for your customers. Your primary focus as a dealer is selling kitchens, so forward any complaints or requests to us. Our team will respond to repair needs, provide guidance, and offer on-site services.

**Initially only in NY, NJ & Connecticut.*

DISPLAY SERVICE

We pledge to take full responsibility for our displays. Handling everything from design to continuous maintenance. Our service includes regular check-ins for part replacements, cleaning, and updates, ensuring that your setup aligns with the Cubitac standards.

**Initially only in NY, NJ & Connecticut.*

LIMITED WARRANTY

We pledge to stand behind our product by offering a limited lifetime warranty, ensuring your complete peace of mind. This commitment reflects our dedication to providing quality products and ensuring customer satisfaction.

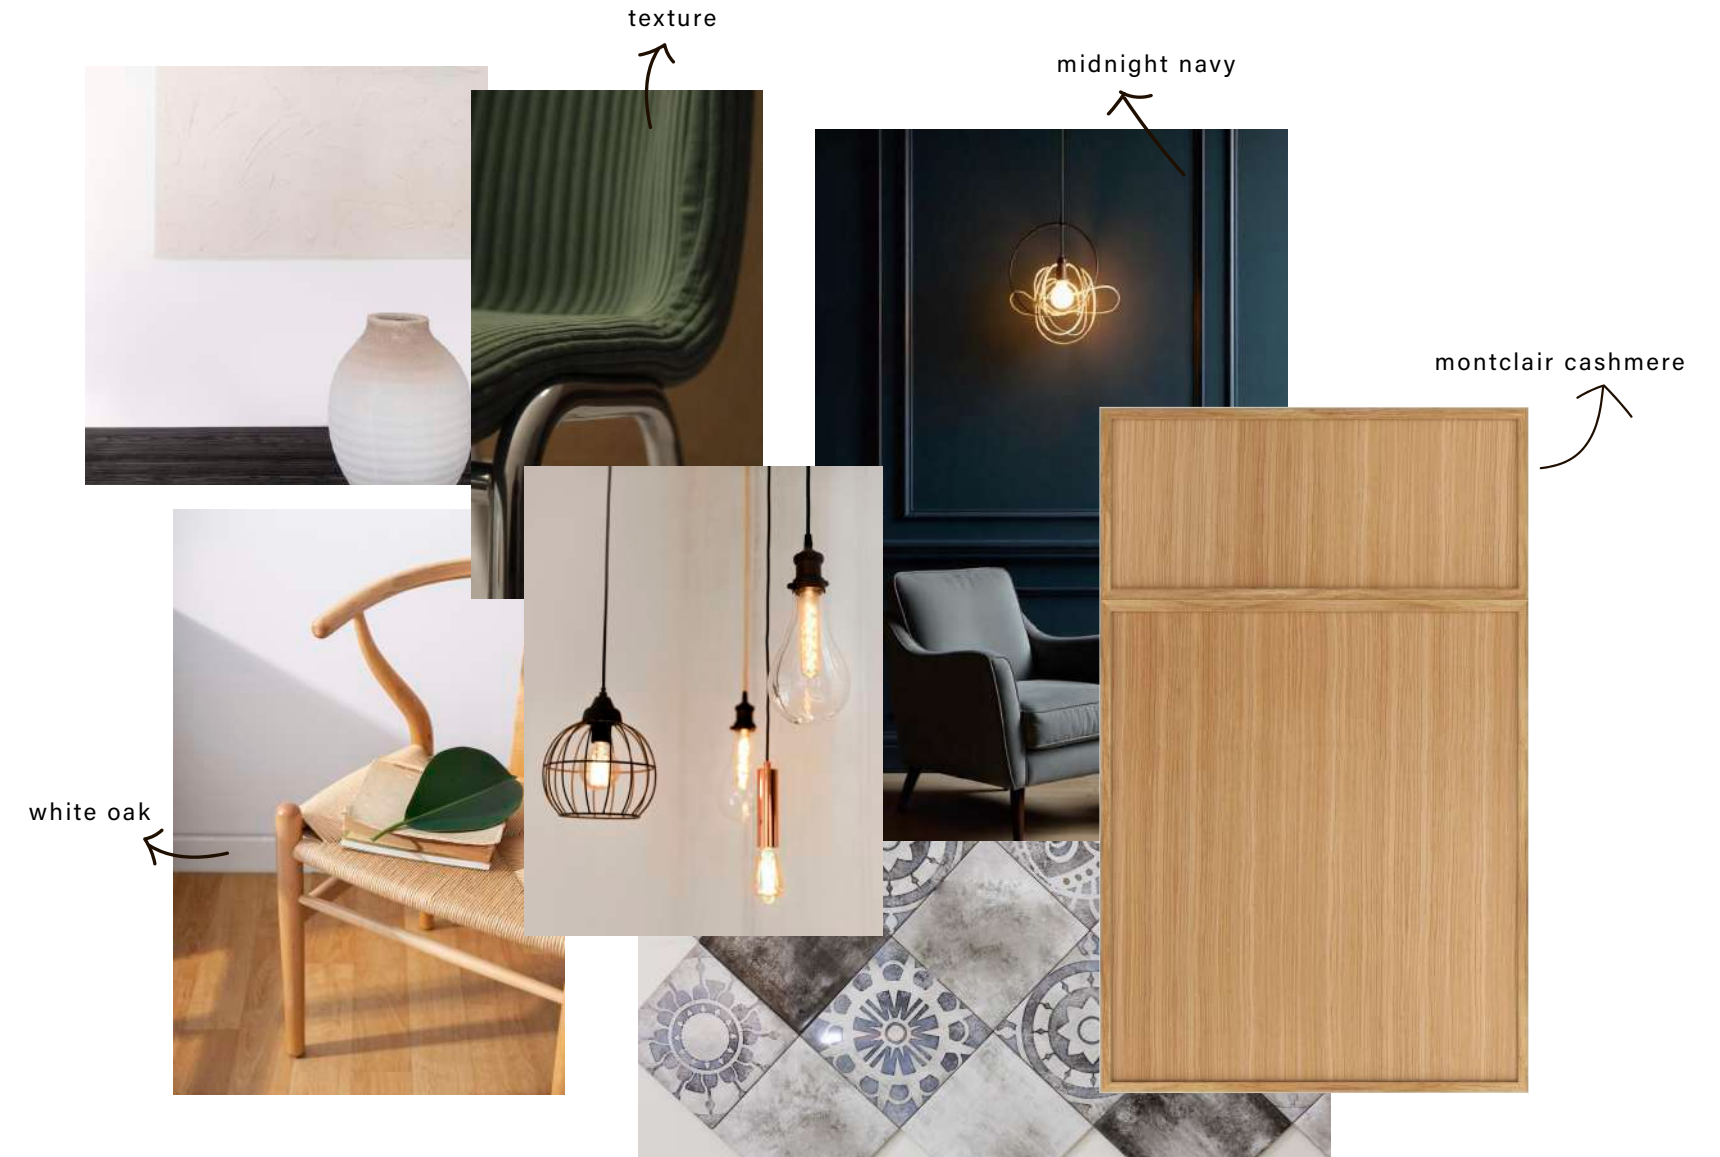

DESIGN STARTS WITH YOU

OUR CUSTOM CRAFT

At Cubitac, we believe that great cabinetry is more than just wood and hardware—it's about craftsmanship, innovation, and creating a space that truly reflects you. That's why we dedicate ourselves to an extensive process of trials, testing, and refinement to develop the perfect colors and styles for our customers.

Every cabinet we design is the result of careful research, expert craftsmanship, and a deep understanding of what homeowners want. We don't settle for ordinary—we push boundaries, experiment with finishes, and fine-tune every detail to ensure that our cabinetry isn't just beautiful, but also functional and built to last.

With you in mind, we continuously evolve our designs, blending timeless aesthetics with modern trends to offer a collection that fits every taste and space. At [Company Name], we're not just building cabinets—we're crafting the heart of your home.

PEOPLE PRODUCT INNOVATION

Introducing all-new hoods
**DARE TO BE
BOLD**

A new way to elevate HOODS

Kitchen hoods are more than just functional appliances—they elevate the entire space by blending style with practicality. Acting as a focal point, they add depth and dimension to the kitchen. It also enhances lighting, often incorporating built-in illumination that brightens the cooking area. By marrying elegance with efficiency, a kitchen hood transforms the space into a polished, high-performing culinary environment.
