Reaping The Power & Promise Of Education

Today, India is witnessing tremendous transformation in the field of education. As the youth aspire for better education and training, they discover a new world of ideas. CEIIT wishes to support the youth and aims to shape a more fulfilling future for them.

For CEIIT Social responsibility is one of the mainstays that support our academic and research work. We believe that our role as a premiere educational institution involves something more than just imparting knowledge and skills to our students. We aim to be the active agents of social change to address social concerns. With this responsibility, we take on the role of leader in the creation of a culture of social responsibility in society through our actions. We are committed to defending the ideals, responsibilities and objectives of a socially responsible academic institution.

With this aim, we have offered scholarships to needy students from more than 200 institutions. We aim to set new standards to promote ISR to achieve a greater impact on the youth and India as a nation.
