

## **ST. PAUL-ZION DUAL PARISH**

### **MARCH 2025**

#### **A Few Thoughts from Pastor**

At St. Paul and Zion, we use the one-year lectionary (a schedule of readings from the Bible) for our Sunday and feast/festival services. In this one-year cycle, the final three weeks before Ash Wednesday are known as “*gesima*” Sundays (*Septua*, *Sexa*, and *Quinqua*), and collectively they make up the season of pre-Lent. The Gospels assigned for these Sundays invite us to remember that salvation is a gift (by grace), not the result of our work, intentions, or efforts; that God’s holy Word is the ultimate “seed” of faith; and that it is by faith in our Lord Jesus Christ that we truly “see” Him as the one and only Savior of the world. This mini-season sandwiched between Epiphany and Lent provides a great foundation from which to start our Lenten journey each year.

And Lent is the time someone will usually ask me about ashes, fasting, giving something up for Lent, or something along these lines. A full and complete answer to such “simple” questions about Lenten discipline and past or historic practices/customs is usually more than the person inquiring is really after, and I’m certainly not going to try to answer all the permutations of these questions here in the newsletter. But Lent **IS** an excellent time to “discipline” our bodies (and hearts and minds) in preparation and anticipation for the full and unabashed joy of Easter.

A number of years ago my field-work and vicarage supervisor, Pastor William Weedon (St. Paul – Hamel) posted his suggestions related to Lenten “disciplines,” and I believe each is worthy of consideration even (& especially) in our day. As Adolf Köberle once noted: *"At all events even asceticism [austerity and self denial] can be described by the paradoxical statement: Its exercise can give salvation to no one but its neglect can corrupt anyone."* Pastor Weedon then continued:

So as not to fall into that corruption, the Lenten disciplines are set before us. Not as though they are tools we ought use only during the Lenten days, but as training for all our days of battling the old man in the power of the Holy Spirit and with the joyful concurrence of the new man.

**PRAYER** - can I spend more time intentionally in prayer this Lent? Here's a prayer that might be of use:

*[Pastor Weedon then includes a "Lenten Litany" which we have included as a separate page of this newsletter. In addition, I might suggest Luther's Morning & Evening Prayers, the "Our Father ..." each and every day, or even the Collect from the previous Sunday prayed once or more each day.]*

**ALMSGIVING** - can I find ways to increase my giving to the poor and suffering in this world? Can I grow in my experience of the profound truth of our Lord's words: "It is more blessed to give than to receive"? What can I do to concretely bless the poor this Lententide both in my own local community and in the world?

**FASTING** - can I limit my intake of food during these days? One tradition of the Western fast would encourage you to eat only 1/4 meal at breakfast, a regular lunch, and 1/4 meal in the evening. No one who has a medical condition that would endanger their body (or is pregnant) should fast in this way; but others might find it a very fruitful and useful reminder that "man does not live by bread alone; but by every Word that proceeds from the mouth of God."

**CONFESSION** - before you head into Lent, why not schedule a time with your pastor to confess your sins and receive forgiveness? This wonderful gift is far too underutilized in the Church - Luther professed that he was so blessed by it, that he'd never let anyone deprive him of it. Sadly, we've been depriving ourselves far too often.

**COMMITMENT TO ATTEND THE EXTRA SERVICES** - make a commitment to be present when the Word of God is preached, His praises sung, and His sacrament distributed during Lent. The Lenten mid-week services are a great blessing as we follow our Lord's Passion. ... It is the Word of God that transforms us, and so the more richly we let the Word of Christ dwell in us, the more our joy in the Kingdom will increase.

I would also suggest some type of **DAILY DEVOTION** if you and your family have not already made that a part of your daily routine. The daily devotions by the folks at Higher Things or Lutheran Hour Ministries (copies will be available in the narthex during Lent), Portals of Prayer, the Book of Family Prayer, or some other suitable devotional are an excellent way to consciously set aside some time with God's Word each and every day. If you have any questions or would like one of these devotional resources, please don't hesitate to let me know. And may God bless all our efforts to discipline (& train) ourselves this Lenten season.

In Christ,

*Pastor Holle*

# Stewardship

## God's Instruments, God's Stewards

*For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. (Ephesians 2:10)*

Some pastors refer to these words as “the most forgotten words in the Scriptures.” They are forgotten because they follow the familiar and critical words before it. The preceding two verses that overshadow Ephesians 2:10 are words of justification: “For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast” (Ephesians 2:8–9). These are words preached regularly. They are assigned as confirmation verses. They carry with them the very heart of what it means to be a redeemed child of God!

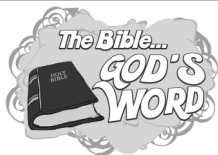

Precisely because the previous verses are so central to salvation, they often overpower our practice of stewardship! We have been saved by grace. This is certain and sure because of Jesus. Works play no role in our salvation. No credit taking for us! Grace is freely given. Faith is miraculously created by the Spirit and joyously received. This truth is so wonderful and so encompassing that we often miss out on WHY we are redeemed.

The grace of God revealed in Jesus calls us to faith. But St. Paul doesn't stop with grace and faith. He continues to the logical conclusion. Just like the creation declares the handiwork of God, the redemption of sinners like you and me declares His greatest handiwork! Redeemed stewards are created to reflect the grace and mercy God showers on us to others.

As Lutherans, we understand that good works flow from faith in Jesus Christ. They are the fruit of the tree of salvation into which we have been grafted by grace. Sanctification and stewardship are both on-going and active confessions of what the Lord has done in us. These works are not always spectacular. Many times, they are simply parents showing Jesus to their children. They are compassionate actions that live out the truth of the Gospel to co-workers and even complete strangers. While they can be grand endeavors, more likely they are simple, beautiful works which highlight what Jesus has done in us.

These works aren't random either. They have been planned by God. God planned to use you as a faithful steward as you walk the road that leads you through your daily life. There are no chance encounters or coincidences. They have been planned by the Lord of the universe for the benefit of His creation. Good works are what point to God's greatest work: Jesus!

He calls you and me to walk in this faith, which flows from this grace, which has been poured out on us in Jesus. But even this is not to our credit. We are simply called to be faithful stewards of God's grace so that we may share it with those who need it as much as we do. God's Spirit carries us along in this. We are just the steward — the instrument in His hand to accomplish His plan and glorify Him!

## ST. PAUL DORCAS

On February 2, 2025, our Dorcas group met in the sanctuary after the morning church service. We started with our annual Prayer Service led by Sarah Kleopfer “Blessed are They” based on the Beatitudes, found in Matthew 5:1-12. The prayer service was prepared by Rev. Brian Noack.

The beatitudes are some of the most beloved words of Jesus and there are teachings of Jesus demonstrating how Christ has filled these beatitudes for us. Jesus highlights people in various situations of life, situations that are not always easy to endure—or even envision—as a child of God. Yet, our Lord calls the people in each condition “blessed” and assures each of them of their place in the kingdom of heaven. As you hear the precious beatitudes from our Lord or sing the selected hymns and pray for people in the various stages of life, may you indeed be blessed and encouraged in your life of faith. May your mind be drawn to the work of Christ, His life, and His death and resurrection which bless you each day until He brings you home to the Kingdom of Heaven forever.

We closed the prayer service with Lord’s Prayer.

We then went downstairs for our February meeting. We started with tasty refreshments of blueberry coffee cake, scones, scotch-a-roos and coffee brought by Leslie and Evan Brockhoff.

President Sarah Kleopfer called our meeting to order. Roll call was taken with 15 members present. January minutes were read and approved. There was no correspondence. Treasurer Kathy Heiniger gave the treasurer’s report and it was accepted.

Old business: Sarah had registration and emergency contact forms if we were interested in taking the bus to Omaha for the LWML Convention in June.

New business: for our February Food Gathering of Love, we will be placing a box in the back of the Narthex for the local food pantries until March 2nd. Five Valentine cards were signed and mailed. The Spring Event will be April 12, which we are hosting. Also to be discussed in March—St. Paul will provide two Lenten meals before the March 19th and April 2nd services.

Today’s offering is going to the Dakota Boys and Girls Ranch. Next month Bible Study leader will be Leslie Brockhoff and Hostess will be Kathy Heiniger. Altar Committee for March is Sadie Meyer, Becky Meyer and Elder Galen Meyer. We closed with the Lord’s Prayer.

Secretary, Becky Meyer
