STEAM OVEN

COLLECTION

360° Convection

Sensor Cooking Steam Oven

Precise temperature control from 50 to 100 °C, to cook various dishes at appropriate temperature.

100% Pure Steam Oven

Sensor Temperature Control

The infrared sensor can detect the temperature of the food during cooking, then automatically adjusts it to the preset point for precise control.

New S.S. Cavity

The new stainless steel cavity can transfer thermal faster and more evenly.

New Steam Boiler

The new steam boiler is bigger, which can provides more steam.

Steam Cleaning Function

The oven can use steam to soften dirt for making cleaning easier.

TOASTER OVEN

COLLECTION

360° Convection

Even Convection Cooking

Galanz toaster oven adopts true convection cooking, powerful convection to ensure even toasting and baking.

Fast Convection Cooking

With the power of convection, the oven can cook food much faster. It also heats more consistently for better results.

3D Grill + Convection Heating

The oven can grill the food and provide hot air with convection at the same time. It's suitable for more dishes than a traditional oven.

60-230°C Adjustable Temperature

Set cooking temperatures from 60°C to 230°C precisely. It's perfect for just about any recipe.

Air Fry

Microwave and Toaster Oven as one? Yes, here it is.

Fast & Even

8 Cooking Functions

Less Oil & Healthy

85% Less oil and fat-Best choice for your family

Traditional deep frying

Galanz air fryer

Crispy & Tasty

With Galanz air fry toaster oven, you can cook various dishes.

The display screen is user-friendly when viewed from above
The motor adopts DC fan for heat dissipation to reduce vibration and noise
The heating plate is side mounted, and the heating tube can prevent the bottom from sticking;
32000R/Min

Unit Dimensions (WxDxH, mm): 210x215x525
Package Dimensions (WxDxH, mm): 445x328x336
Loading Capacity (20'/40'/40'HQ): 650 / 1322 / 1478

Optional

■ PB17012

1.75L / 800W

■ PB17009

1.75L / 800W

■ WGZ0307WGZ0302

0.3L / 50W

■ P40P-D003

4L / 800W

Features

Automatic cover opening
Fan physical cooling
Touch screen
High quality 304 stainless steel liner
Up to 11 kinds of holding temperature options
Reservation function
High temperature resistant materials
Automatic chlorine removal
Stainless steel spraying body
Child lock

Unit Dimensions (WxDxH, mm): 372x255x317
Package Dimensions (WxDxH, mm): 420x300x410
Loading Capacity (20'/40'/40'HQ): 589 / 1200 / 1346

Optional

■ P40P-C009A

4L / 1300W

■ P40P-C009A

4L / 1500W

■ P40P-C009A

4L / 1500W

■ CM2-0001AA

1.8L / 1000W

Features

Soybean flour selection; Powder thickness is adjustable;
Automatic thermal insulation/automatic power off/one key operation;
Stainless steel cone plate/touch control/high temperature glass;
Swivel out funnel/removable filter screen;
Removable bean box/removable cutterhead/
visual water tank window;
Sealed bean box/coffee making with reservation;
