

#### Ideal Candidate:

- 3-5 years of field surveying experience (Intermediate)
- 5+ years for Sr/Crew Chief
- A Class 5 Driver's License
- Drone license
- Experience working with pipeline right-of-ways
- Most of our work is in Alberta but British Columbia experience is a plus
- Drafting experience is helpful but we can teach you if you're willing to learn
- Willingness to grow with the company and be part of something bigger
