

JOYCE W. YIP

Fashion Design Portfolio

2024

Minimalist aesthetic, 1950s silhouette, and modern androgynous suit details.

Slight quirkiness of Dadaism added to the print to sprinkle in a bit of fun.

Hustle bustle of the city, my muse enjoys cafe-hopping whenever she affords the time.

BELTS GET AROUND for that 1940s new, try-wear
Belt bag accessory adds to the utilitarian aspect of the androgynous style

Transformable - Can be worn backwards or forwards

Formal backwards

Casual forward

Reversible Trench coat for multiple occasions

Wool collar to make it stand up

epaulette coat hanger

D-ring for keys, phone and other accessories

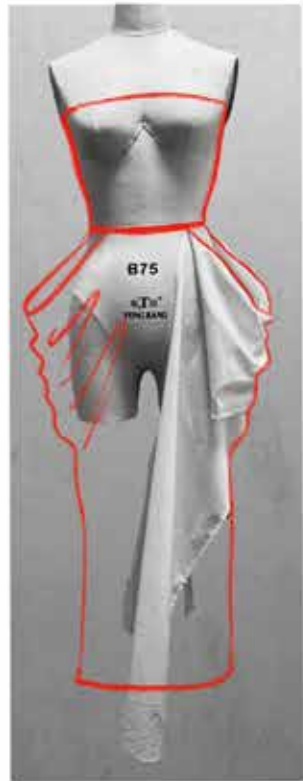

flexible pleated detail for fitting back & forth

elegant short sleeved trench coat

hard stitch to keep in place

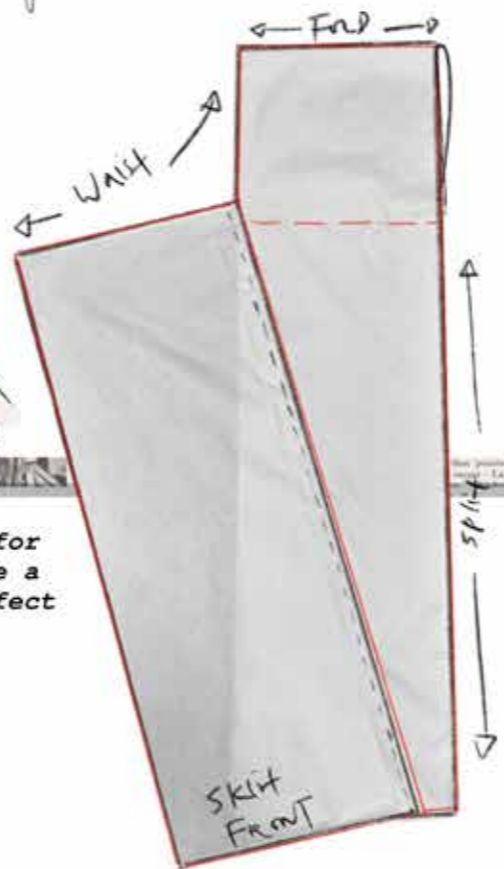

The Burberrys' Trenchcoat

Burberrys

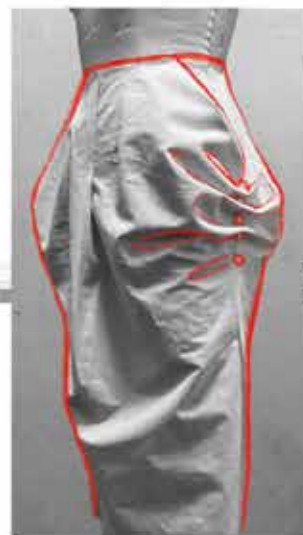

1950s style button detail becomes the focal point of the outfit

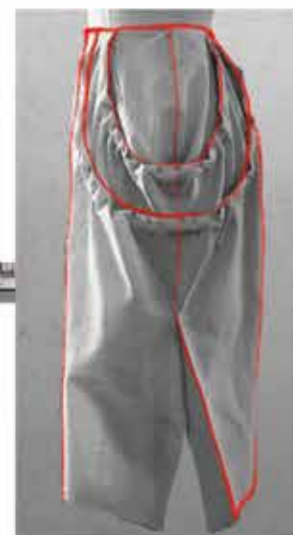

Pocket / Sleeve Drape experiment

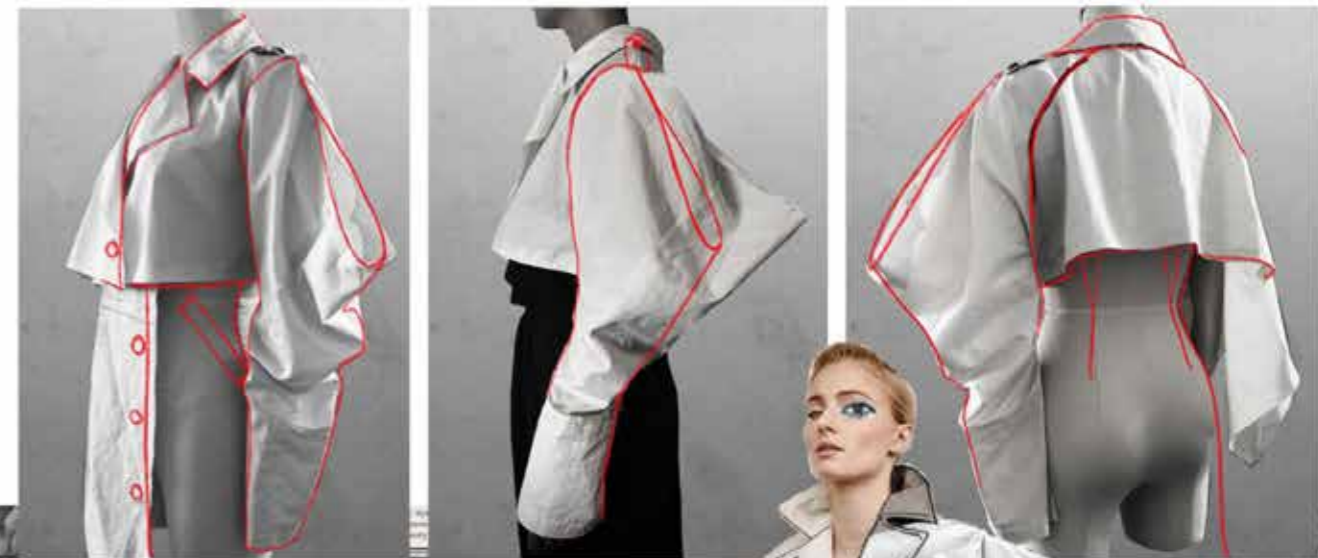

Jersey fabric for skirt to create a softer drape effect

Drape with bead detail

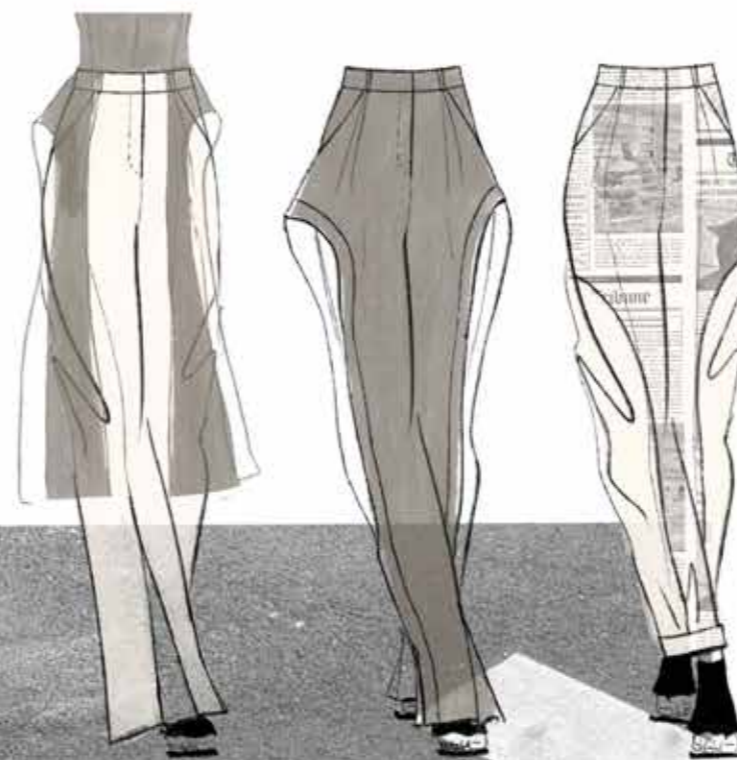

Clean controlled detail

Two piece trench coat Funnel sleeve inspired by the shape of a folded stack of newspaper. The draped sleeve creates a relaxed silhouette, which emphasises the nonchalant attitude.

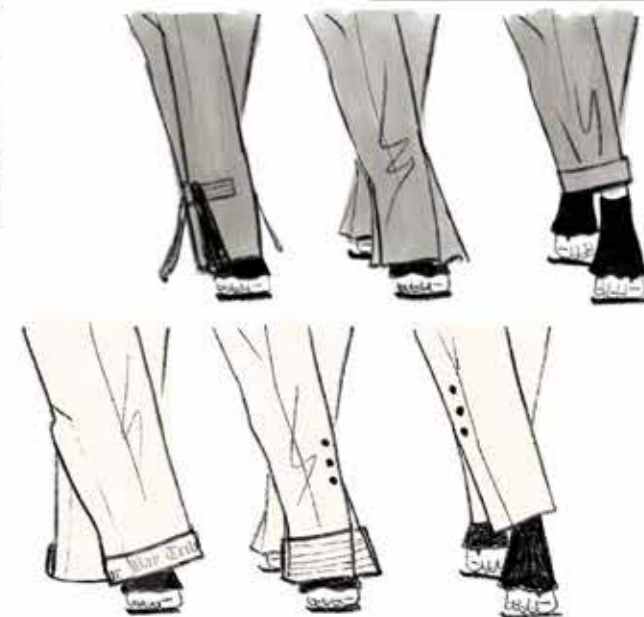

modular fashion details - transformative clothing for a minimalist wardrobe

Deep pleat in front & Top stitch fold line

Deep pleat detail on the side

Trench coat strap inspiration
