

INSPIRE AND SERVE
EMBARK ON JOURNEYS OF GIVING: TRAVEL WITH PURPOSE, SERVE WITH YOUR HEART

VACATION & SERVE.

Embark on Journeys of Giving:
Travel with Purpose, Serve with Heart

● OUR MISSION

To serve Jamaica by combining your passion for travel with your desire to make a difference. We offer a seamless experience from start to finish, allowing you to plan an unforgettable vacation that dedicates a small portion of your time to inspiring and supporting those who need it most.

● OUR FOCUS

Inspire and Serve empowers Jamaican boys, girls, and women through transformative community service programs that foster personal growth, educational advancement, and social responsibility. Our mission is to inspire positive change, nurture leadership skills, and create opportunities for a brighter future for disadvantaged community members.

How We Get Things Done

We take the stress out of planning and executing community service projects, ensuring a seamless and impactful experience.

We are meticulous with the details! Our services include:

- Liaise with your organization or group to understand and implement volunteerism goals.
- Schedule and manage collaboration Zoom meetings and conference calls.
- Research, assess, and selection of community service partner organizations.
- Design and manage community service projects.
- Coordinate with Jamaica organizations and facilities to implement service projects and programs.
- Create community service day Agendas.
- Write media releases and distribution highlighting community service initiatives.
- Capture photos and videos of onsite activities posted to a collaborative App for group access.
- Receive volunteer Certificate and Thank You Letter.
 - Manage program logistics to include roundtrip transportation for onsite community service projects and in-country donation deliveries.*
 - Travel planning, Club MoBay access, Jamaica arrival greeting, expedited immigration processing, tours, and special events.*

Every aspect of your community service project is expertly managed, allowing you to focus on making a difference!

*Service is offered through our partner Blissful Jamaica Journeys travel agency.

Your Investment

Let us turn your vision for a meaningful service project into reality! For just \$250 (details below), we offer a seamless and impactful experience.

Grant us the privilege of organizing your service project, which includes helping you identify the right community partner based on your goals and ensuring they align with the facility's needs. Managing the planning, logistics, and onsite execution. Ensure all project partnerships are closed out properly with photos and videos (when possible) provided to you or the group. The Community Service Project planning and development service is \$250 non-refundable for up to five (5) people. Larger groups incur an additional \$20 per person and receive a 10% discount toward transportation costs.

Trust us to deliver a professional, heartfelt service project that makes a real difference while allowing you to focus on what truly matters—giving back and making connections.
