# JEWEL DANIELS RADFORD

Jewel Daniels Radford is a global entrepreneur, transformational leader, and visionary speaker whose work sits at the intersection of leadership development, humanitarian service, and social impact. She is the Founder of Inspire and Serve, an international NGO recognized with Candid's Platinum Seal of Transparency in Nonprofit Management, reflecting the highest standards of accountability, governance, and operational excellence.

## **Founder & Global Humanitarian Impact**

Through Inspire and Serve, Jewel designs and leads purpose-driven service initiatives that restore hope, dignity, and opportunity for vulnerable women, children, and families. Under her leadership, the organization has built trusted partnerships with respected global and faith-based institutions, including Texans on Mission, On Mission Network, Global Empowerment Mission (GEM), World Vision, and Operation Blessing. These collaborations have enabled coordinated disaster response, community development, and equity-centered programming across the Caribbean and the United States.

Most notably, Inspire and Serve helped facilitate aid and essential supplies to more than 3,000 individuals impacted by Hurricane Melissa within 60 days, while also leading high-impact initiatives such as Christmas toy drives and menstrual equity programs. These efforts not only meet immediate needs but also address systemic barriers—improving educational access, reducing long-term costs, and increasing school and workplace attendance for women and girls.

## **Leadership in Moments That Matter**

A leader known for conviction, presence, and action, Jewel is recognized for showing up in moments that matter most. Following her father's homegoing service, she returned immediately to Jamaica to continue serving women, children, and communities facing hardship—embodying her belief that leadership is most powerful when rooted in service, faith, and personal sacrifice. Through Inspire and Serve, she has also created meaningful Divine Nine bridge-building service experiences, uniting legacy organizations around global citizenship, shared responsibility, and collective impact.

## **Corporate Leadership & Organizational Strategy**

In parallel, Jewel serves as CEO of Daniels Communications Global, a leadership development and training firm providing strategic learning and organizational development solutions to an elite portfolio of clients. Her corporate and institutional experience includes work with the U.S. Army, Couples Resorts, Vistaprint, Megamart, Kingston Bookshop, Total Jamaica, CPJ, and the City of Savannah.
