

# DISCLAIMER

The intent of any Bodywork, Nutritional or Functional Nutrition protocol suggested by Metabolic Rest Clinic is to support the natural physiological and biochemical processes of the human body.

Metabolic Rest Clinic is not a medical office and does not accept insurance.

Be advised that any nutritional program suggested at Metabolic Rest Clinic is not intended as a treatment or cure for any disease.

Metabolic Rest Clinic doesn't diagnose, treat or cure any disease. Reading the Body Love Cafe website does not mean that you are a client of Metabolic Rest Clinic.

Before making any changes to your diet, prescription medications, lifestyle or exercise activities, make sure to check with your medical doctor first.
