

# PAYERO FAMILY MEDICINE

## OUR SERVICES

We offer a full spectrum of personalized services to support your health at every stage of life. From annual physicals and preventive care to women's health services like PAP smears and GYN exams, our focus is on keeping you well.

Need care quickly? We provide same-day sick visits and on-site testing for COVID-19, flu, strep, pregnancy, urinalysis. We also perform minor procedures such as trigger point injections, skin biopsies, and laceration repair.
