EDUCATION

George Mason University
Fairfax, VA Graduating May
2022

GARRETT MALDOVEN

I will be graduating from George Mason University with a degree in Computer Game Design in May 2022. I've learned so much throughout my time at GMU and am looking forward to joining an innovative company where I can make the most of my skills and be part of a team. I am very driven, creative, and ready to make my mark on the world.

HISTORY

Student GMU

Computer Game Design- current

- Focus on artistic design work for game development
- Experience in both traditional computer gaming and introduction to Serious Games- simulation and military – through my internship.
- Succeeding in courses despite significant challenges due to online-only class transition due to Covid-19

Intern, 08/2021- 12/2021

Goldbelt LLC Yorktown VA

- Responsible for research and documentation for various projects
- Gave review on current AI available in open market to compare with military options
- Researched newly available resources and supported efforts to modernize social media sites

Various Retail Positions, 07/2015 to present

Company – Panera, Food Lion and Bass Pro

- Various jobs to offset college costs while attending school
