

End Polio Now Christmas Card 2021

***New for 2021 we have introduced an editable order form with our bank details, so you can order and pay from your computer.**

Dear Rotarian / Rotaractor / Interactor / RotaKid / Inner Wheel Member / Member of the public.

We are delighted to enclose details of our 'End Polio Now' (EPN) 2021 Christmas Cards.

Every penny profit will go to 'End Polio Now', (EPN). Profit generated from purchases will be donated to The Rotary Foundation UK and credited to each purchasing club's EPN account.

Cards are in packs of 10 with envelopes at £4.50 per pack inclusive of post and packing. **Our 2020 card made a profit of £2.50 per pack of 10 cards, a massive 56% of sales. A club purchasing 20 packs received a credit to their EPN account of £50.00.** Whilst still available this will be double matched by The Bill & Melinda Gates Foundation.

Our timeline is as follows:

Orders placed and payment received by:

16th October 2021

Delivery to one address per club by:

30th November 2021

(Last year all deliveries achieved by 9th November 2020)

Confirmation of Club Donation to End Polio Now:

31st January 2022

(Last year this was achieved by 18th November 2020)

We have brought forward the order deadline by a few days, same as we did last year, compared with previous years because of possible restrictions caused by Covid-19. This buys our customers more time to distribute to their members.

We hope you will be as pleased as we are with the quality of these cards, and that you will support this initiative, which has been approved by The Rotary Foundation of The United Kingdom. Most people buy charity cards in the High Street (often only 10 or 20 pence per pack to charity!) so here is an opportunity to buy a card with profits donated to the most significant charitable programme in the history of Rotary, to rid the world of the devastating and life-changing Polio virus.

Card size is A6 - 105 mm x 148 mm (4.1 x 5.8 inches in old money)
Printed on 280 gm Scancoat Elegance or similar.

The inside cover is intentionally blank. Several clubs overprint their own details such as club name, meeting time and venue, events, contacts, website and social media links.

Thank you in anticipation of your support.

Please encourage your members to buy the cards themselves, and to sell them to friends, family, and neighbours. Don't forget to include Inner Wheel, Rotaract, Interact, and Rotakids, and maybe New Clubs and prospective new members. The more we sell the more we raise for End Polio Now!

The Rotary Foundation 'End Polio Now' Campaign.

In 1985 Rotary International embarked on a project to rid the world of this devastating virus which then was infecting over 1,000 children every day. By 30th June 2021 this was reduced to just 2 cases of wild Polio virus for the year to date worldwide.

Wild Polio Virus is now endemic only in Afghanistan and Pakistan
