

Braunton Caen  
**Rotary**

**This year, The Braunton Caen Rotary Santa Sleigh will have a post box on the sleigh for any letters to Santa. Santa has asked his Elves to read the letters and to help him to send a reply.**

**So please don't worry if you think you have left it a little late to send a letter to the North Pole, as we have a direct link to Santa for you. Please make sure that a name and first line of address are included in the letter, as without this detail, Santa won't be able to give his Braunton Caen Elves the special powers to be able to reply.**
