This is Snail.

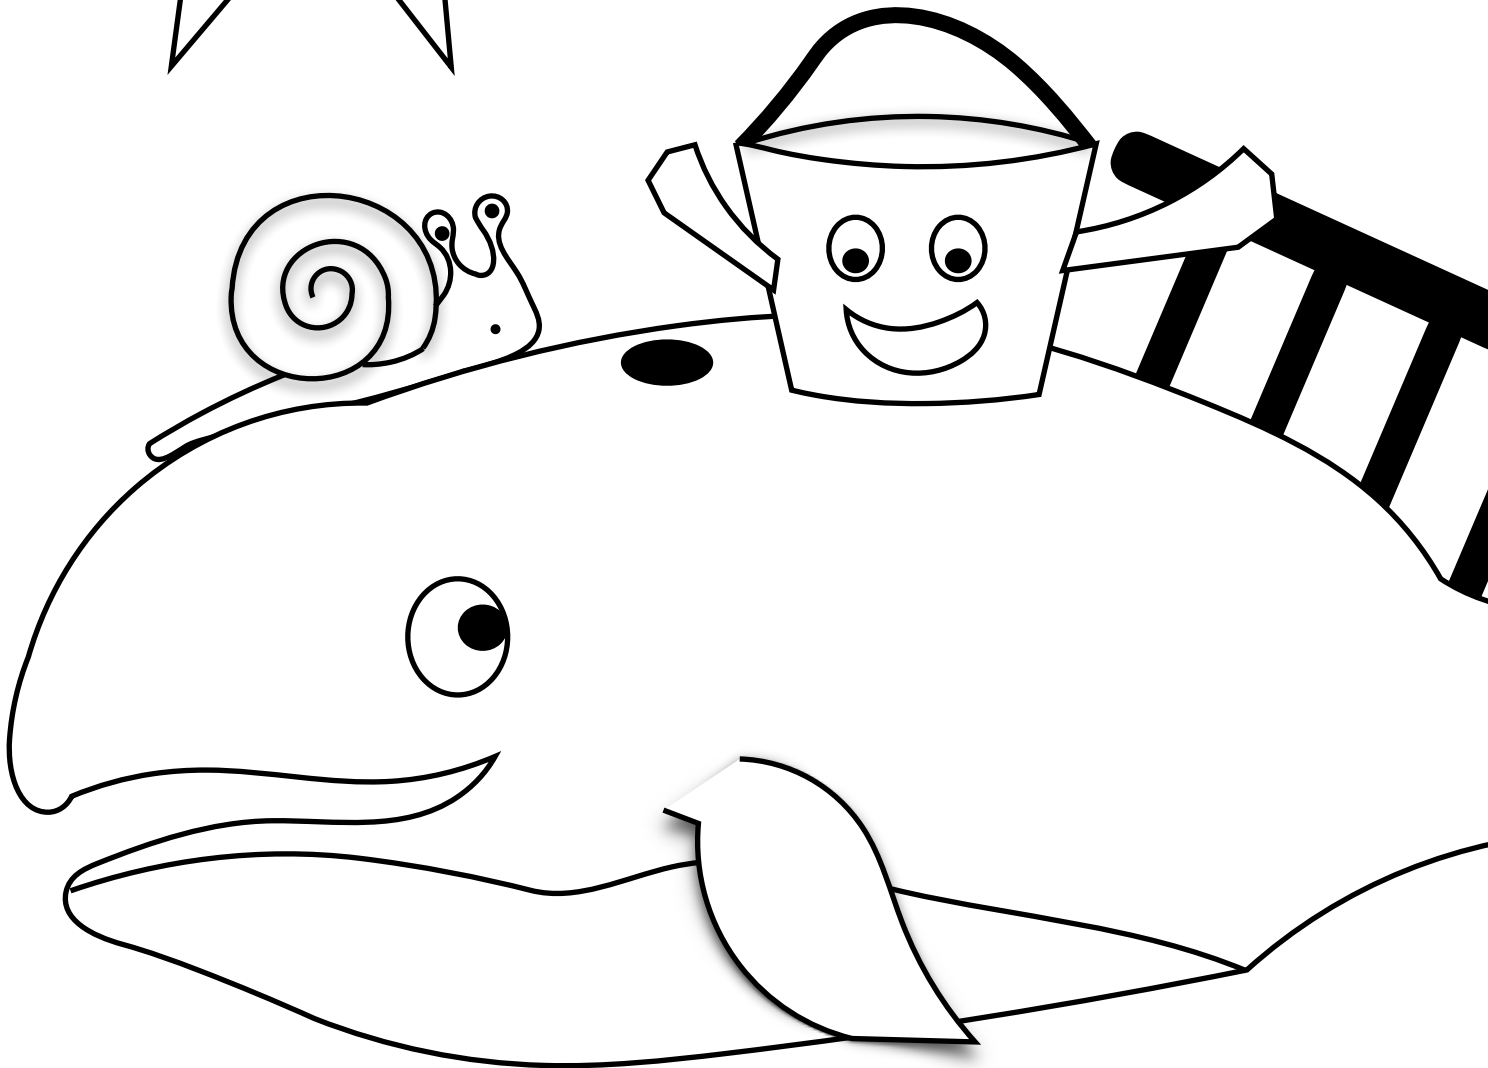

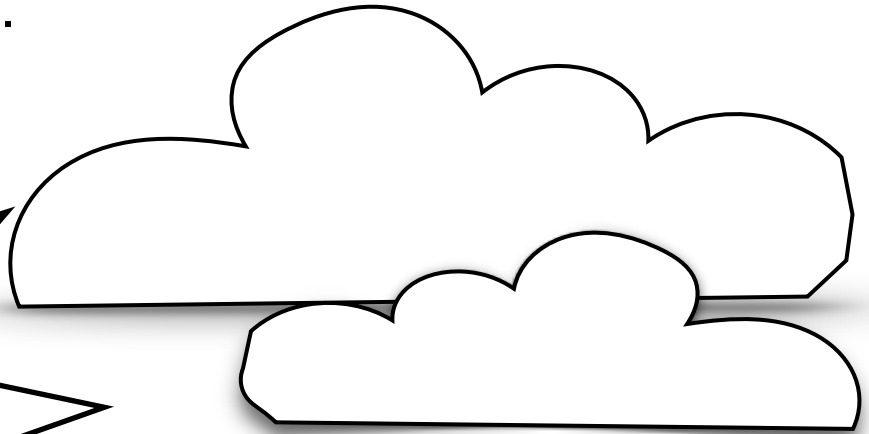

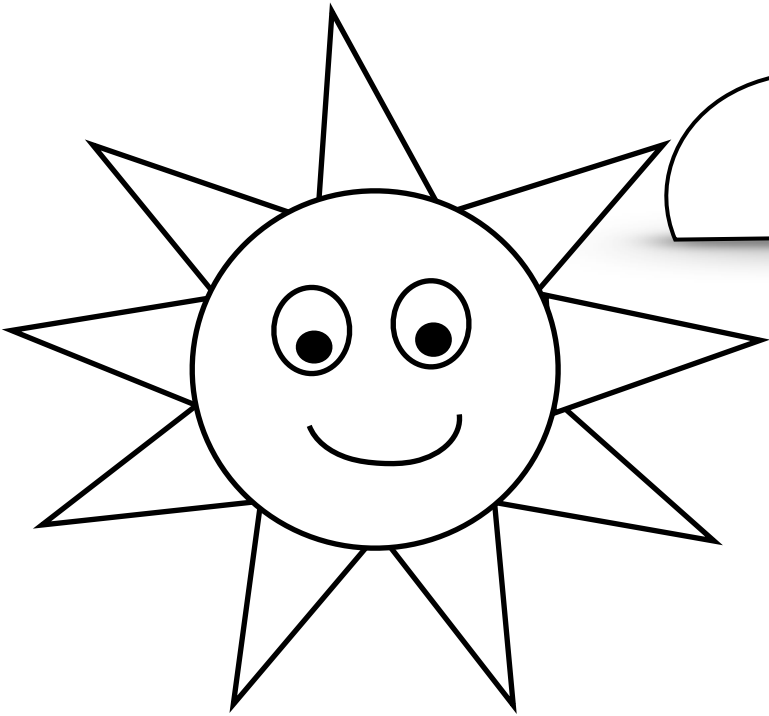

This is Pail.

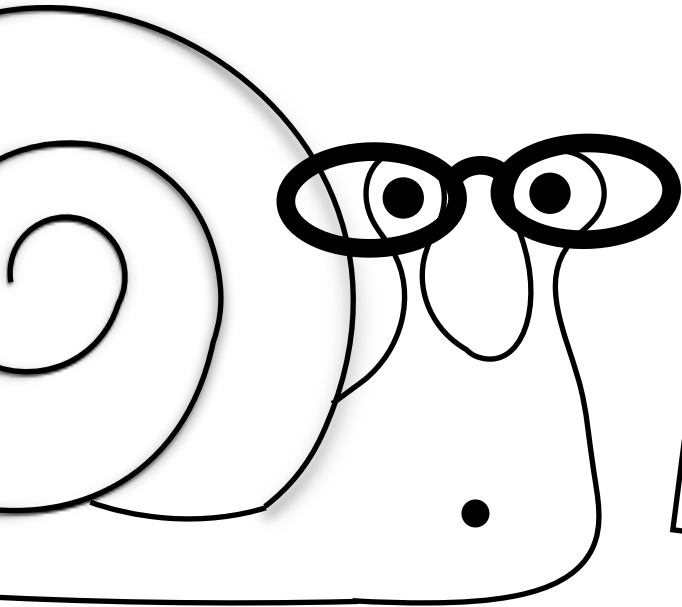

Snail and Pail meet Whale.

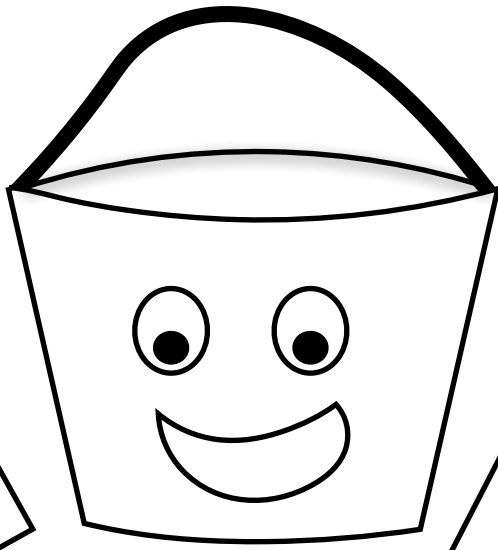

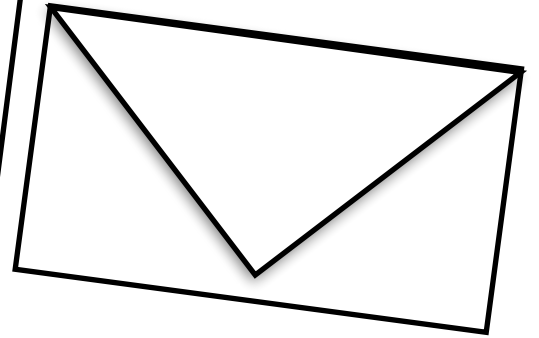

Snail and Pail hold the rail while they climb to the top of Whale to set sail.

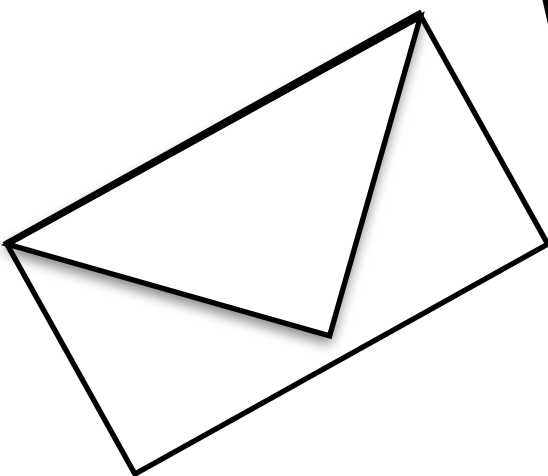

Snail and Pail, while riding on Whale, take time to read their mail.

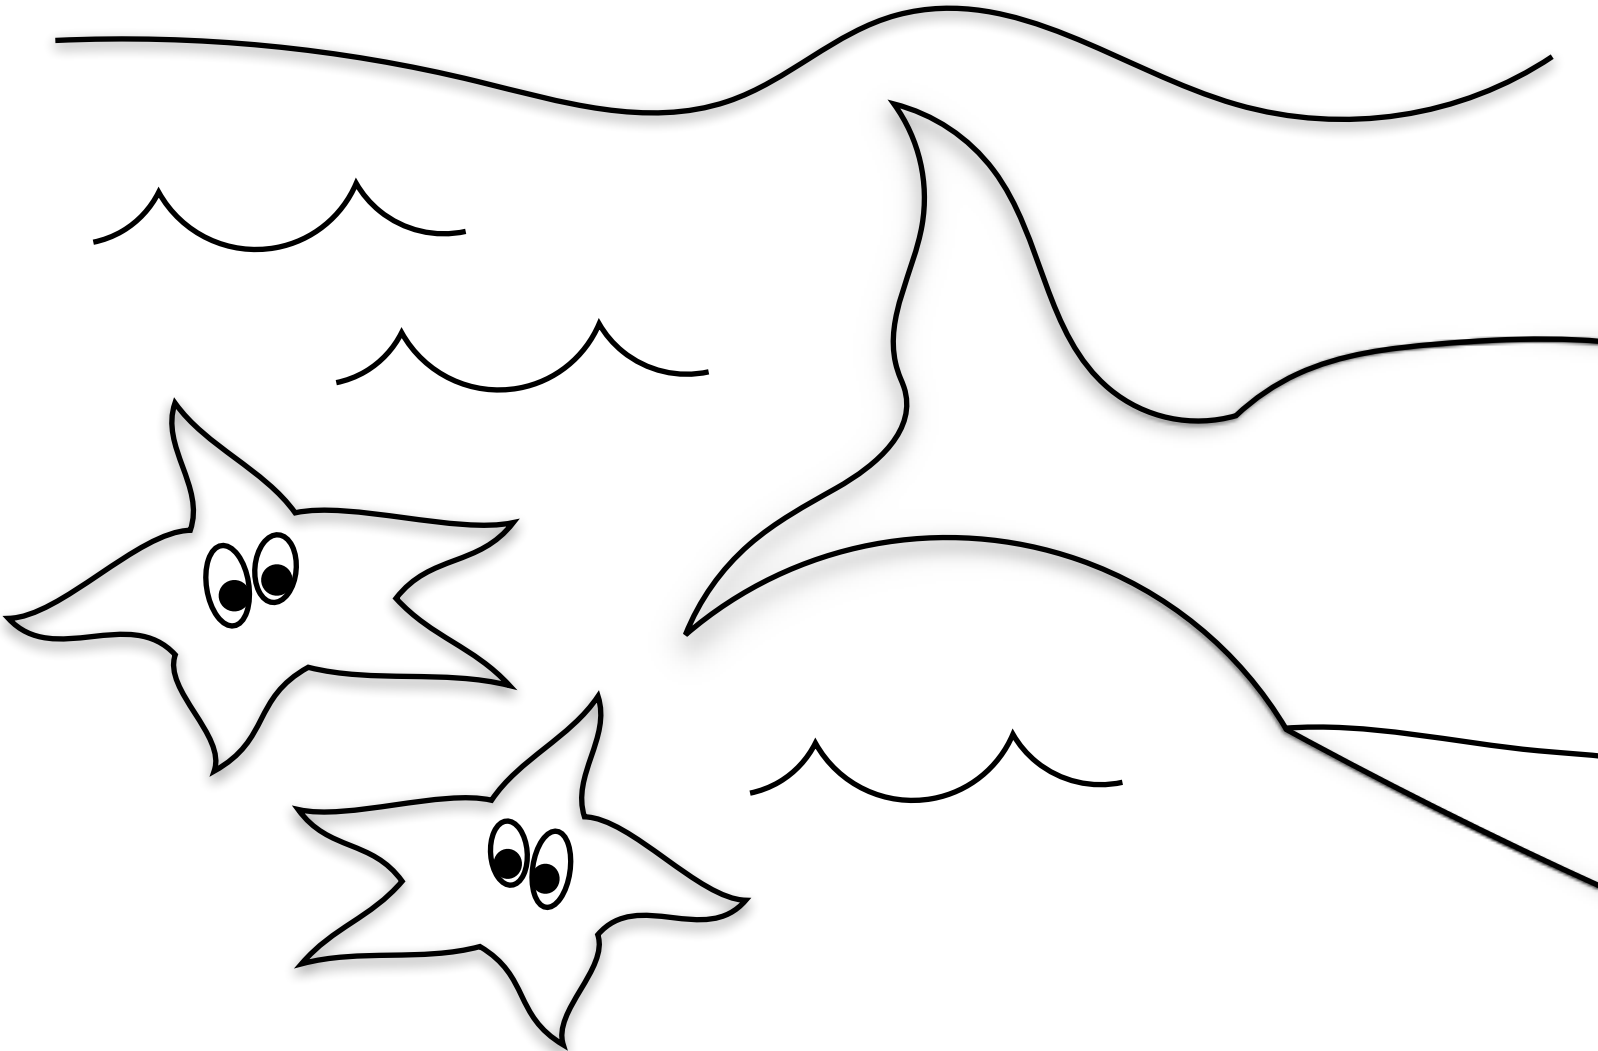

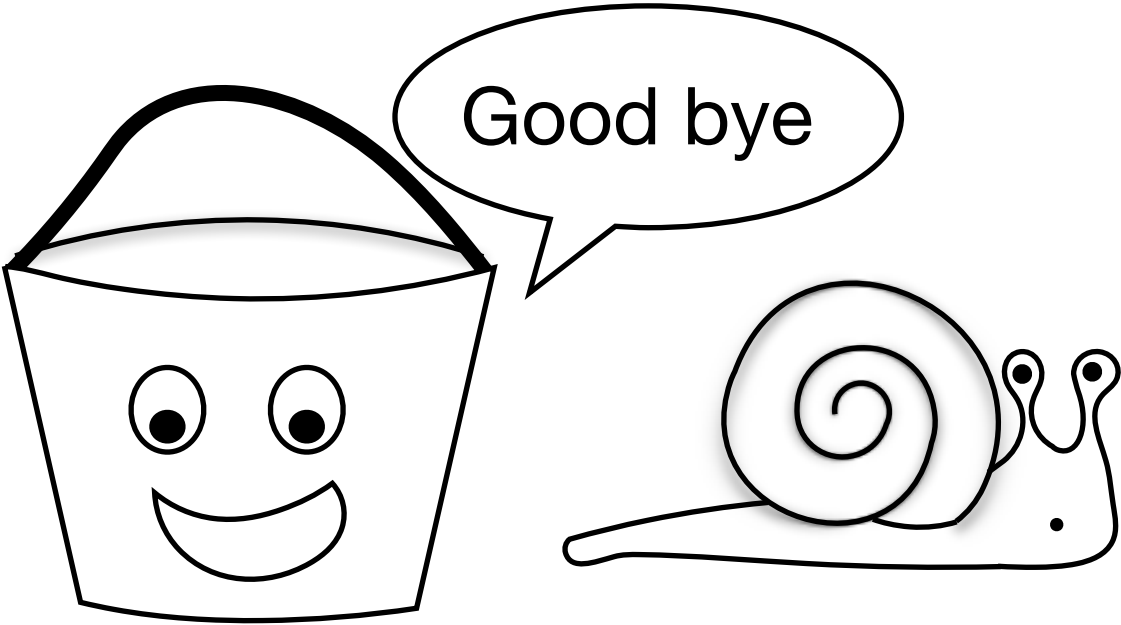

Dear Snail,  
I hope you are well and  
enjoying the sunshine.  
Are you having a good  
summer?  
Love,  
Aunt Shelly

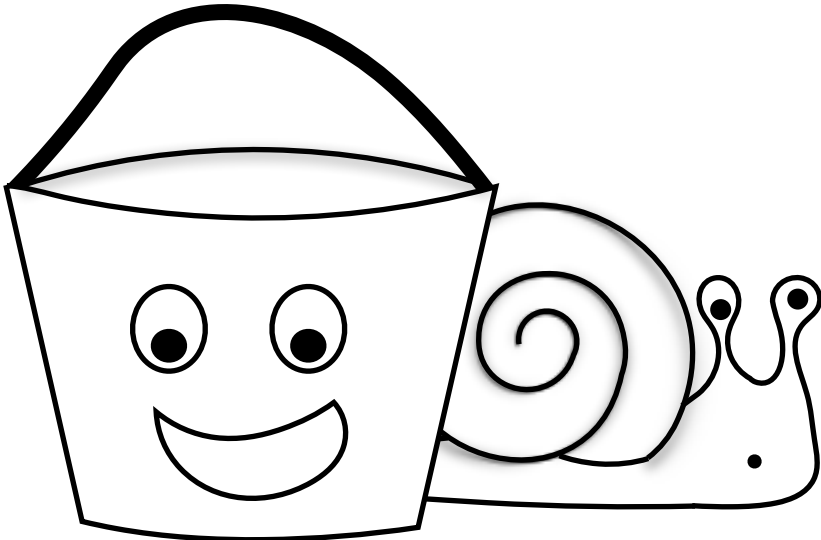

Dear Pail,  
I miss you! Looking  
forward to hearing  
about your adventures.  
Love,  
Uncle Bucket

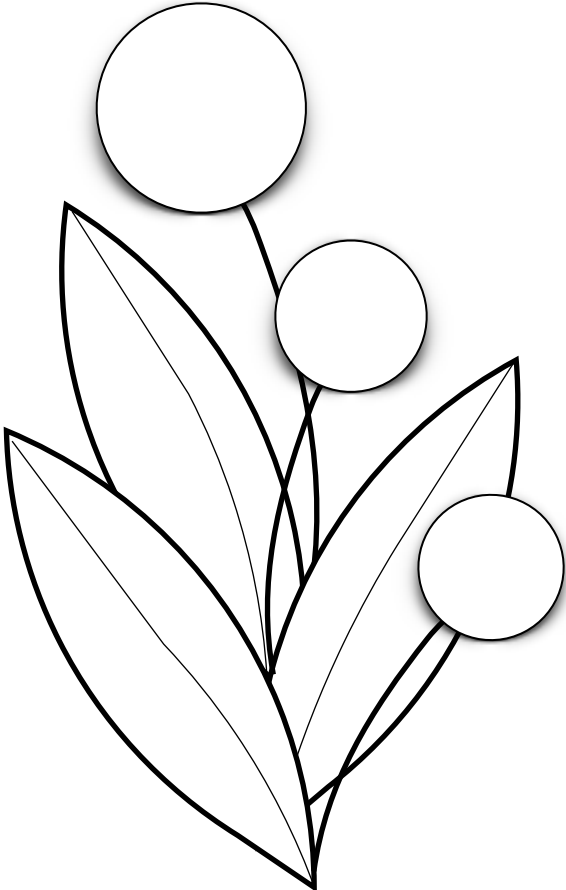

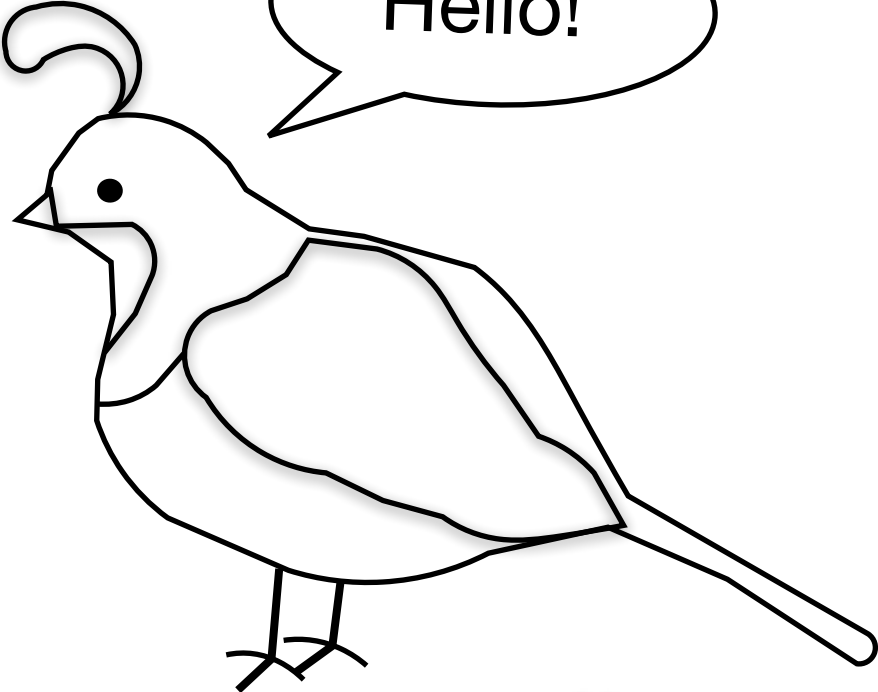

Snail and Pail say good bye to Whale.

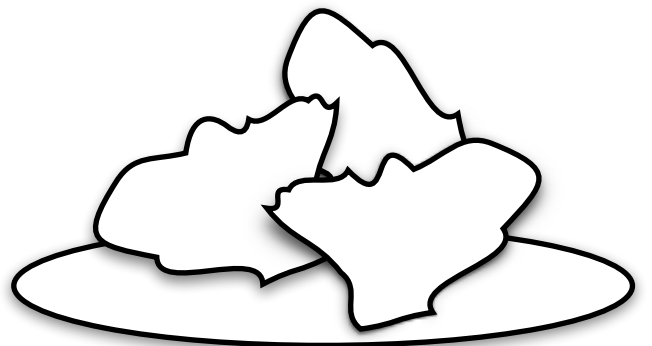

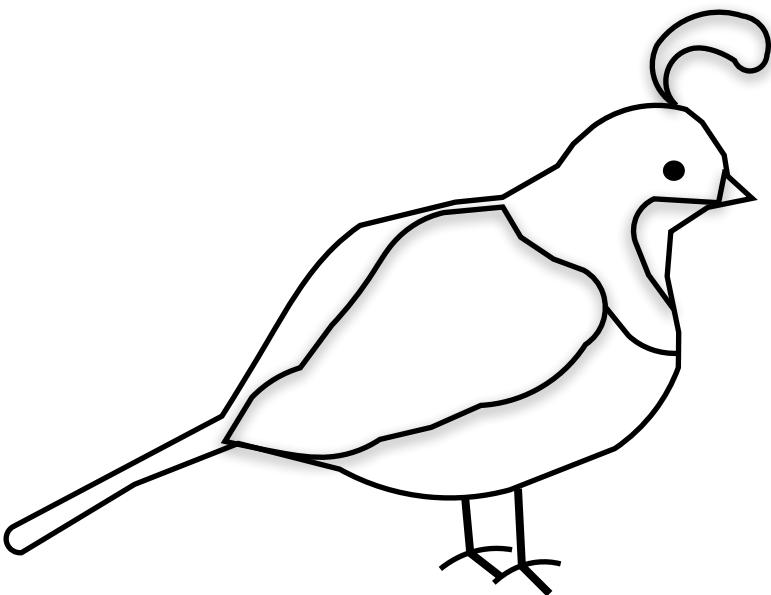

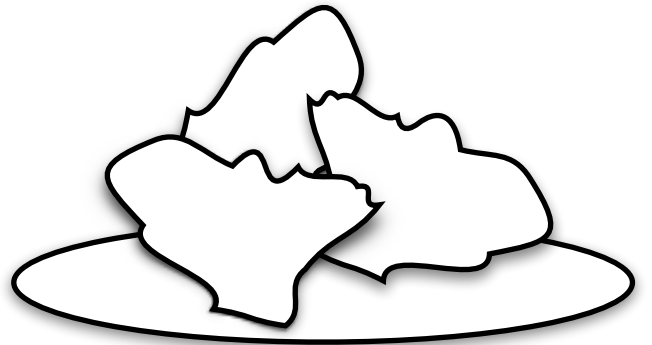

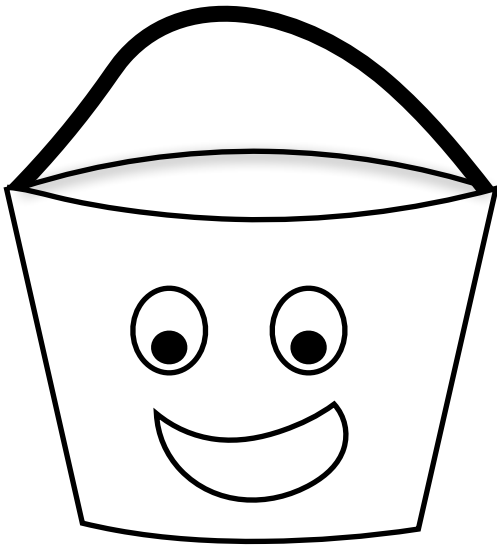

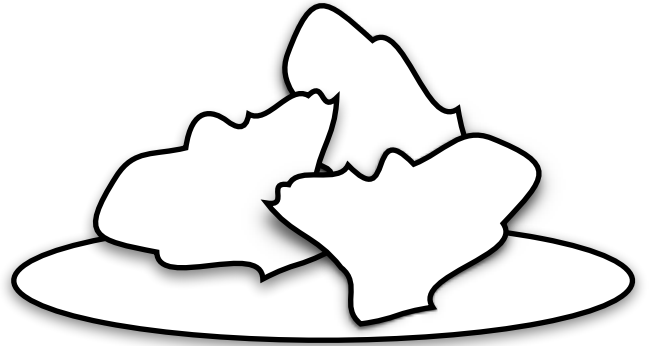

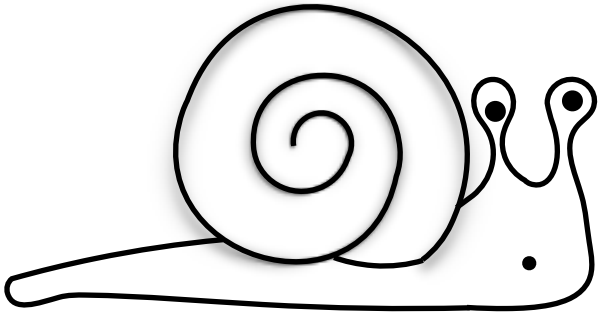

Snail and Pail meet Quail.

Hello!

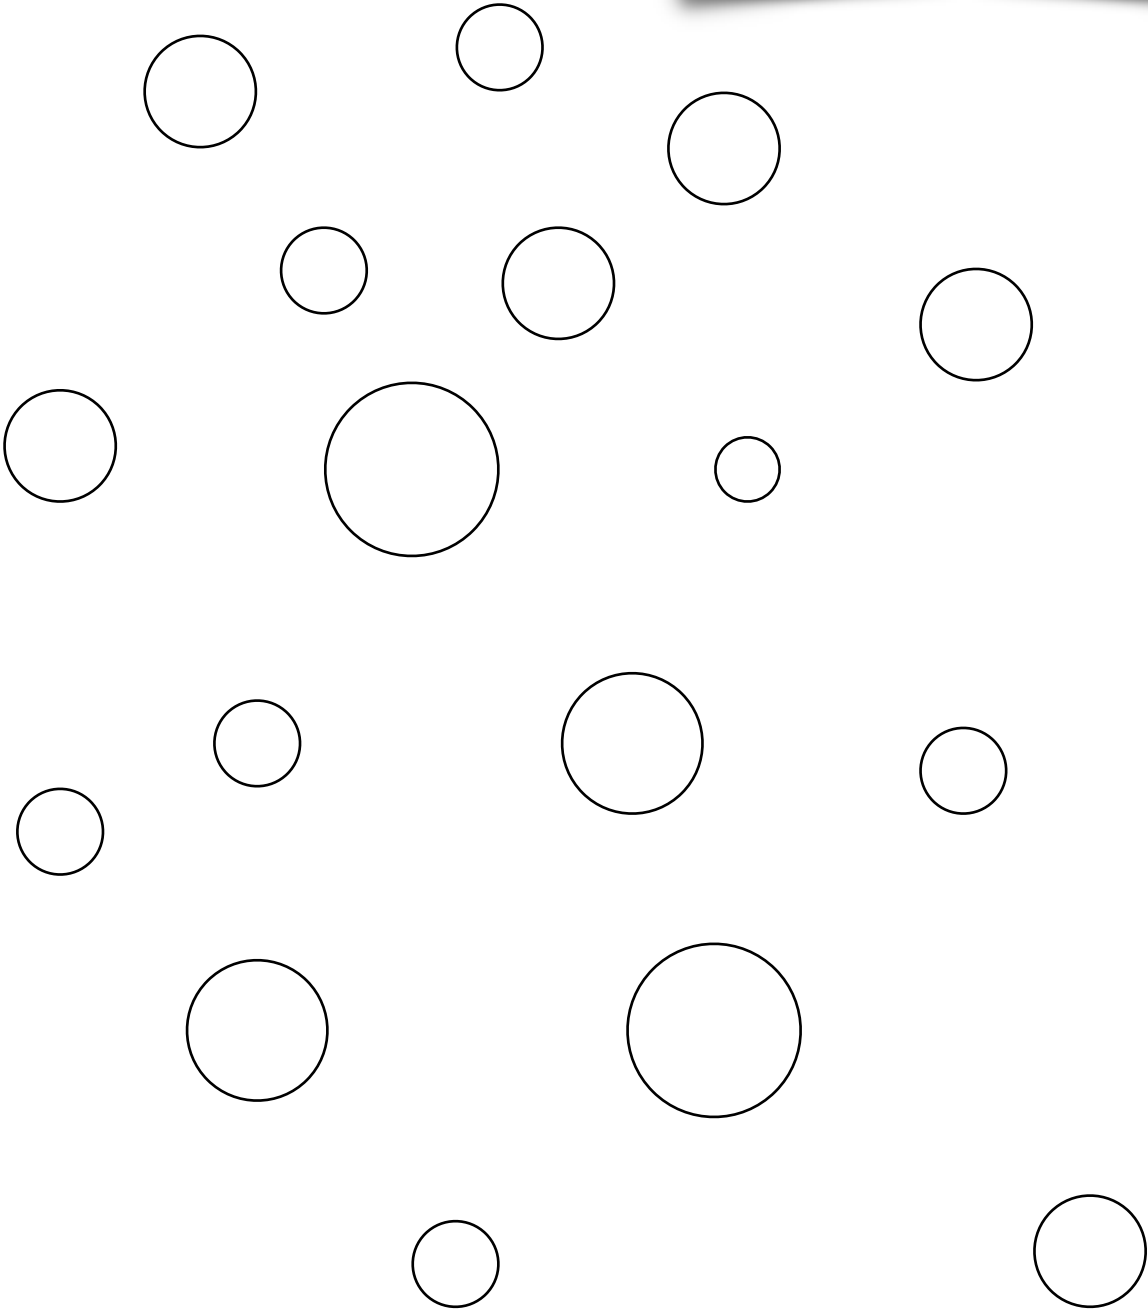

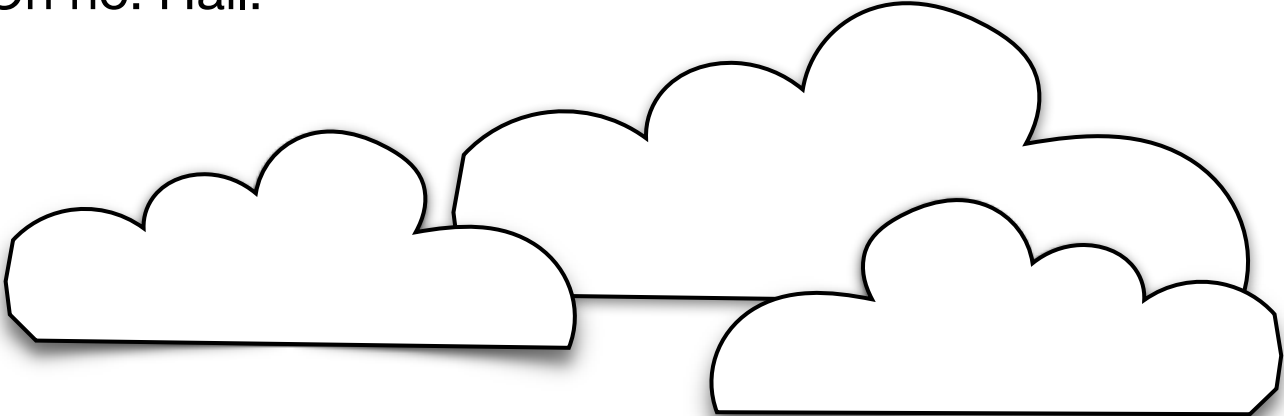

Snail, Pail and Quail eat kale.

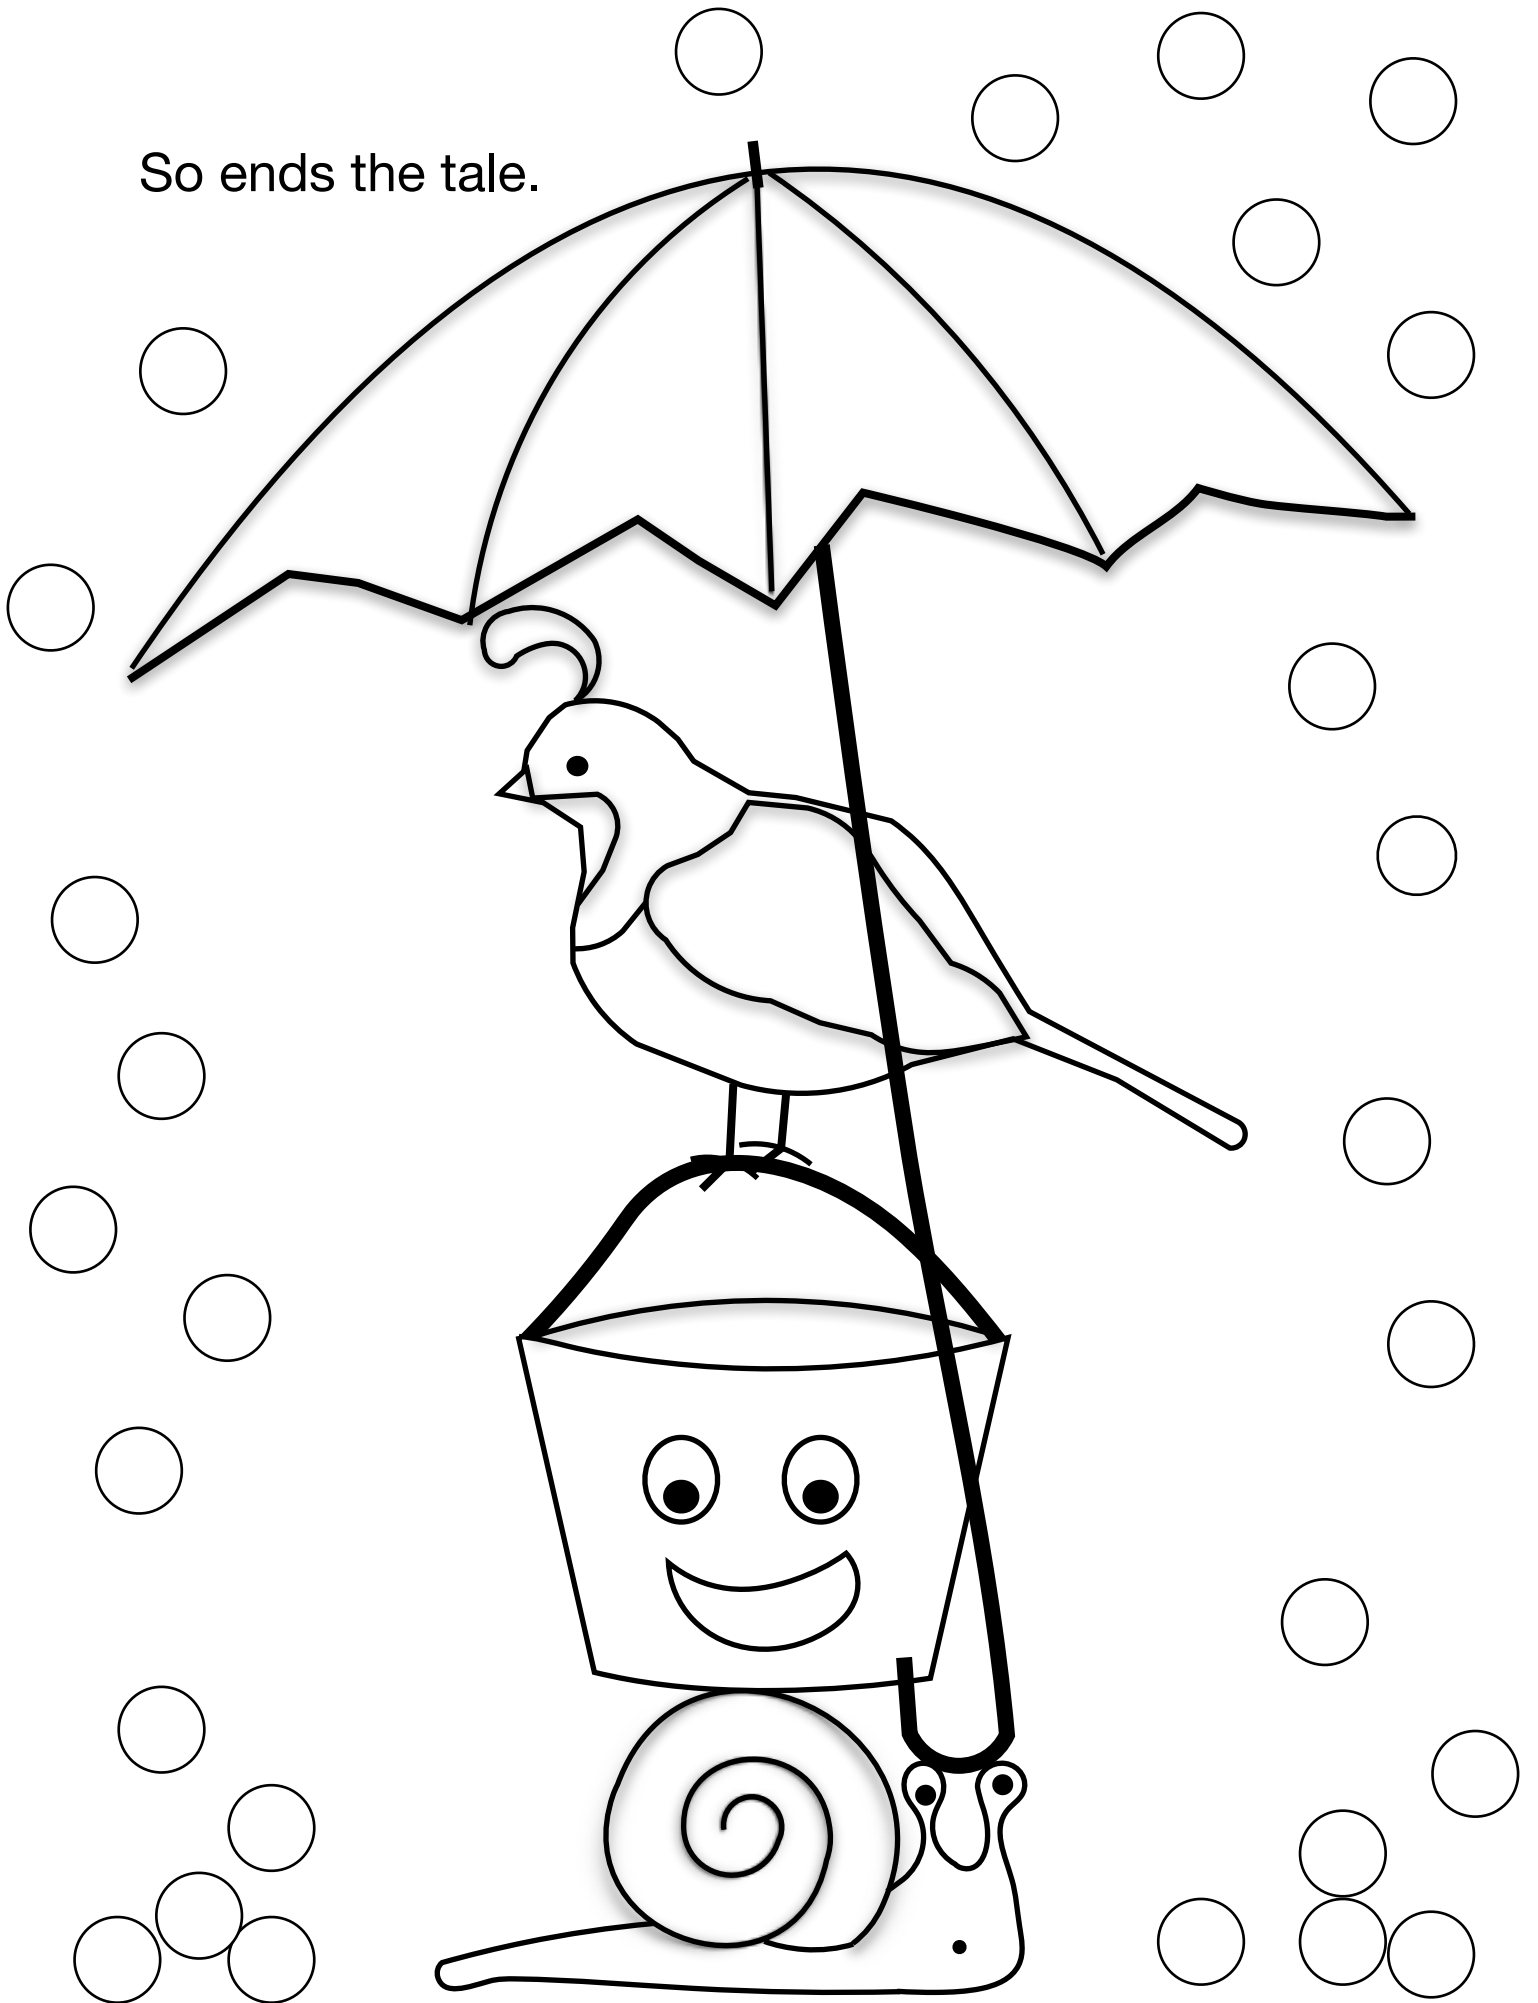

Oh no! Hail!

So ends the tale.

Maybe it's not the end of the tale.

What do you think happens next?
