stretched out in welcome

Welcome to the 14th annual Western Area Conference of Young People in Alcoholics Anonymous in Yosemite National Park, CA. We have developed an exciting and diverse program for you this year, representing young people throughout the western region ranging from Canada to Mexico. It has been our pleasure to serve you this year. This conference is a celebration of your sobriety. Take the opportunity to meet and share experience, strength, and hope with AA members who come from all walks of life. If this is your first WACYPAA get ready for an amazing experience! There will be many things to do all weekend from panels to entertainment and much more! If you are feeling unsure of yourself, feel free to speak with anyone on the host committee or anyone wearing our security shirts.

Enjoy your time in Yosemite National Park at WACYPAA14!!!!

Translation will be available throughout the entire conference for both Spanish and English attendees. Panels held at the Garden Terrace Room at The Lodge will be translated as well as the Old Timers Panel held in the Cliff/Falls Room at The Lodge. ASL translation will be provided during the main meetings. If you have any questions or concerns about translation, please speak with anyone on the host committee and we will do our best to answer your questions and help in any way we can.

Archives will be available to view in the Cliff/Falls room at The Lodge. The room will be open from Friday from 3:00-5:00pm then will open back up for the hours of 9:30am-6:15pm on Saturday.

Facts, Aims, and Purposes of WACYPAA

(The Western Area Conference of Young People in Alcoholics Anonymous)

WACYPAA was conceived at the 1996 ASCYPAA (Arizona State Conference of Young People in AA), and was later founded in Anaheim, California on September 8, 1996 at the 39th ICYPAA (International Conference of Young People in Alcoholics Anonymous) in a meeting of AA members from around the region to be served by WACYPAA. At that meeting the region was defined as the states of: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming; as well as Baja California Norte, Baja California Sur, Chihuahua, Durango, Sinaloa, Sonora, and the Canadian Provinces of British Columbia, Yukon Territory, and Alberta. Each year, the conference must be held within this region.

The purpose of WACYPAA is to build and strengthen unity in Young Peoples Groups in Alcoholics Anonymous in the western area of North America and Hawaii. The focus is especially to reach those areas which historically had little exposure to such conferences. The WACYPAA Advisory Council and the members of the conference will encourage the participation from all states, provinces, and countries within the scope of the Conference. All bids will be given equal consideration regardless of size, population, or location. We recognize that not all AA members will find our conference necessary to their recovery from alcoholism, we seek only to provide it for those who find it desirable.

At the Anaheim meeting, the state of Arizona was tentatively chosen as the site for the first WACYPAA. The Arizona group was to present their bid in February 1997 at the All California Conference of Young People in Alcoholics Anonymous in San Francisco. Seven AA members volunteered to attend and serve as a temporary advisory council for the purpose of approving Arizona's bid, or to solicit further bids at a later date if the Arizona bid was not deemed to serve the best interests of the region. Once an initial site is chosen, a bid session will be held annually at each subsequent WACYPAA where a site will be chosen for the next year's conference. Any group of three or more AA members from within the region is welcome and encouraged to bid for a chance to host a WACYPAA in their local area.

Each year, AA conferences provide overwhelming evidence that large numbers of alcoholics are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. These conferences offer an environment for celebration of our sobriety, as well as an opportunity to meet and share experience, strength, and hope with AA members who reside in areas other than their own.

Hechos, Metas Y Propósitos de WACYPPAA

(La Conferencia de la Area Occidental de Jóvenes en Alcohólicos Anónimos)

WACYPPAA fue concebido en la conferencia ASCYPPAA (Conferencia del estado de Arizona de Jóvenes en Alcohólicos Anónimos) de 1996, y fundado el 8 de Septiembre de 1996 en Anaheim, California en la 39 ICYPPAA (Conferencia Internacional de Jóvenes en Alcohólicos Anónimos) en una junta de miembros representantes de la región servida por WACYPPAA. En esa junta, se determinó que la area de WACYPPAA serán los estados de Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming, Baja California Norte y Sur, Chihuahua, Durango, Sinaloa, Sonora y las provincias Canadienses de British Columbia, Yukon Territory, y Alberta.

El propósito de WACYPPAA es construir y fortalecer la unidad entre los Grupos de Jóvenes en AA en la area occidental de Norteamerica y Hawaii. El enfoque es especíalmente el enlace a las areas que históricamente no han sido expuestas a tales conferencias. El consejo asesor, y los miembros de la conferencia animarán a participar a todas las localidades representadas por la conferencia. Todas las propuestas de sede reconocemos que esta conferencia no es necesario para la recuperación de todos los miembros de AA, solo deseamos ofrecerlo para los que lo enquentren deseable.

En la junta de Anaheim, el estado de Arizona se ofreció para la sede de la primera WACYPPAA. El grupo de Arizona presentó su propuesta en la Conferencia de Toda California de Jóvenes en Alcohólicos Anónimos en San Francisco. Seie voluntarios formaron un consjio de asesores provional a propósito de solicitar a mas propuestas, o para confirmar a Arizona como la sede para la primera WACYPPAA. Ya seleccionada la sede, una junta de propuesta se llevará a cabo. Cualquier tres miembro de una región son invitados. Cada año, las conferencias de AA nos enseñan que a gran numero de alcohólicos están logrando y manteniendo una sobriedad duradera y cómoda en Alcohólicos Anónimos. Estas conferencias nos ofrecen la oportunidad para celebrar nuestra sobriedad, y también reunimos para compartir nuestra experiencia, fortaleza, y esperanza con los nuevos, y con los AA de otras localidades.
