
Dear Vendors: Thank you so much for participating in our Fall Festival. See below to help us make our festival a success!

- Please have your table set up by and ready by 10:00 am. We will have the doors open for you by 8:00 AM. You are responsible for hauling your sale items and getting your display set up. We will let you unload your vehicle at the front of the store to set up, then you have to move it to a designated vendor parking area so we can free up parking for our guests.
- You are responsible for providing your own chair(s). We will provide the table.
- **You will need to provide your own cash box and change.**
- NO smoking at any time.
- Please remain set up the entire time 11AM - 5PM.
- If you are in need of electricity, call me ASAP at 224-8832. Please provide your own extension cords. Electric outlets are very limited.
- Providing a freebie for the kids while parents shop would be welcome.
- Please clean up your booth when you are done. Garbage cans will be available.

Please contact me if you have any further questions. We are looking forward to a successful and fun event! See you soon!
