

ZIMBABWE MISSION TRIP: APRIL TO MAY 2025!

We learned the community of Chitakatira, which has a primary school consisting of 2,100 students, needed a safe source of water. So CCIP-Zimbabwe provided funding to construct a water well. At its completion, a cholera outbreak had occurred. So, the well became a life-saver.

Join us for a Classical Zimbabwe Mission Trip that offers an experience that deepens faith, strengthens fellowship, and inspires a new vision for ministry - all while traveling through one of Africa's most beautiful countries and historic cities like the Victoria Falls with the Rev. Dr. Kennedy Mukwindidza of Potwin/Trinity United Methodist Community, April 22 to May 6, 2026.

The cost for this mission trip is \$3,950.00 per person covering air travel, ground travel while in Zimbabwe, two nights motel, food at workplace, accident insurance, administration fees and some project money. If you are interested in this mission trip, send your non-refundable deposit of \$100.00 to Trinity UMC, 430 Eunice, El Dorado KS. 67042 at your convenience. Make your checks payable to Trinity UMC and write "Zimbabwe mission trip" in the memo section of your check. Those interested, but not able to go are encouraged to make donations to Trinity UMC and mark Mission donation to help accomplish our mission as disciples of Jesus Christ. The first (5) five volunteers to pay their non-refundable deposit will receive a scholarship of \$200.00 credited to their accounts. All Your donations are tax deductible if they meet Kansas laws.

On this all-inclusive mission trip, your group will:

- . Worship and learn Zimbabwe's way of praise and worshiping the Lord!
- . Explore Christian history in post-colonial Africa.
- . Share meaningful fellowship while working together with natives.
- . Share meaningful stories as Christians living on two different continents.

As Christian brothers and sisters, we know that shared experiences outside the church walls can transform the community inside them. This is a rare opportunity to shepherd ourselves through a pilgrimage that blends beauty, history, and spiritual growth.
