ABOUT US...

Rising from the depths like a mighty, winged pop-kraken, Octohawk bring an eclectic feast of camp, exuberant reimaginings of crowd-pleasing pop, rock and indie classics.

Dousing Olivia Newton John in the musk of Crazy Horses. Simmering the Weather Girls in a Bowie bouillabaise. Holding out for Heroes from Portishead to Hollywood.

Join Paul, Matt, Courtenay and Thomas as they fly around their favourite music, genre-bending classics and leaving you wanting to do it all over again.
