## Welcome Back!

May 21, 2020 – Week nine. The weather looks better, and things are coming to life! Tomorrow we open our doors!

Ordering and paying online is the way to go. We've partnered with Delivery Shark if you would like delivery for a nominal \$5 fee.

The menu will be somewhat limited – but still offer a great variety.

Patience. We've retrained our staff to follow specific sanitization and distancing protocols. Working to keep everyone safe takes a little more time, but it's worth it! Everyone wants to stay safe (and open!)

Your support as we arrive to serve you again has been incredible. We are looking forward to seeing everyone!

Be well!

Bruce and Dede
