#OPRR-2022

**Tournament dates are set each
time we have 8 confirmed players**

Players

Players are grouped into skill levels so tournaments are competitive and challenging. Tournament Directors group players using relevant, available information including: Fargo Score, reputation, observation, recent tournament/match results, etc. TDs have the right to change a player's grouping whenever deemed appropriate. Players who attempt to manipulate or take advantage of the rating system will not be invited to future events.
