

PATHWAYS

Inspire, Empower, Guide Achieve

VISION

Through excellence in leadership, we create diverse learning opportunities that expand the people's capacity to innovate & empower them to build stronger communities. We provide the best quality services for our customers and clients and maintain high quality standards.

MISSION

The administration, faculty & staff of **PATHWAYS** believe that: *together we strive towards physical, intellectual & moral development*; such development can best be achieved through purposeful change & progressive learning.

We deliver the best learning opportunities that will empower students to excel on professional & personal front. We provide our clients with superior solutions for acquiring, understanding & developing their educational programs.

Students are required to actively participate in a competency based training to gain the specific Knowledge, Skills & Abilities that would best fit their career progress. Everyone regardless of age, religion, origin, race, sex, language or economic, social or physical circumstances is entitled to learn.
