+ Add or create

Hand in

You can open the slides from here.

Once you have completed your work click on "hand in".

If you have done your work in your remote learning book - you can take a photograph and upload it to your laptop. Then click +Add or create and attach the image.

On a tablet –

Tap on “Hand in” to submit work that has been edited online.

On a tablet –

There is also the option to “Add attachment” where pupils can add a photo, video or create a new document.
