

8 October 2021

Dear Parent/Carer

We know that working in partnership with families is key to a child's success in school. In Nursery, we use **SEESAW** as a platform to share communication between home and school. You should have already received your child's log in details for their SEESAW account. Please speak to your child's key worker if you require log in details.

We will use SEESAW to:

- share our termly learning
- share weekly story times and activities
- share ways you can support your child at home
- remind you of any upcoming events
- share mini home-school projects
- collect views from you and your child

We are excited to develop our relationship with you further, in order to support your child. Please take some time to log on to SEESAW and familiarise yourself with the app.

Look out for the first post from the Nursery Team!

Yours sincerely

C Clark

Miss C Clark
Deputy Head of School
