Dear Parent / Carer

Home Reading

As you already know, a key priority for us as a school is to increase the frequency of reading for all children in school and at home. We have changed our approach for the academic year 2019-20 to reflect this focus and are asking parents to make a renewed effort to hear their child read on a daily basis. It is expected that children read **a minimum of 3 times per week** and that this is recorded in their planner. If, for whatever reason, it is not possible to for your child to read at home, the school library is open every lunchtime for children to read for pleasure; this would count towards their 3 reads per week.

If you have any queries about how to support your child with home reading, please do not hesitate to contact your child's form teacher. Together, we can improve the reading skills of our children.

Yours sincerely
