Dear Parents/Carers

I have thoroughly enjoyed seeing the children return to school, they have settled so well and made a great start to the new school year.

A few new faces join our leadership team this year so I thought it would be helpful to get to know your main school contact for each site. Names and roles are listed below.

Miss L. Hall – I work across both Bothal and Central Primary Schools. I have worked for the Trust for 15 years. I know and love the schools and I'm excited about the opportunity to lead them as Executive Headteacher.
