

Spring Term

Little Learners

Within Little Learners we incorporate your child's interests to inform our planning and curriculum. We use loose topic bases as a stimulus focus, to fit with children's development at certain parts of the year. This term we will be focusing on the topic 'People who help us'

Spring

We will be incorporating some of the special festivals into adult led activities and creating the opportunities for your child to partake in these activities.

Spring and Celebrations

- Chinese New Year
- Valentine's Day
- Pancake Day
- Easter

Get ready for lots of fun learning and crafts!
