

Be the best you can be

Dear Prospective Candidate,

Thank you for your interest in the post of Midday Supervisor in the Ashington Learning Partnership. The Ashington Learning Partnership consists of two large primary schools (Bothal Primary School and Central Primary School), which collectively cater for over 1,500 pupils. The two schools are led by an Executive Headteacher and experienced Senior Leadership Team. Each school operates a lower and upper site provision and all four sites are based within the semi-rural town of Ashington, Northumberland.

We are very proud of our schools and work hard to ensure that they are vibrant and exciting places for young learners to be. We are fortunate to benefit from specialist facilities as well as modern buildings and grounds which allow us to provide a safe and stimulating learning environment for our whole community.

Both schools are at the heart of a very close community and work in collaboration with local businesses, parent groups and external agencies to extend learning beyond the classroom and into the lives and homes of the community that we serve.

The position of Midday Supervisor means you will be working in a small, close-knit team looking after the pupils at lunchtime. Main duties include supervising pupils in the dining hall and playground areas. This is a role for an enthusiastic, caring, cheerful person who would like to be a good role model for our pupils.
